Honorable John Belk
Office of the Mayor
600 Trade Street
Charlotte, North Carolina 28202

Dear John:

I am delighted to hear you have agreed to serve as the first chairman of the Leadership Council of our Carolina Population Center.

As you know, we are very proud of the "Pop Center," which exemplifies the University's philosophy that a major educational institution should be concerned with the major problems of society. Your identification with its Leadership Council will do a great deal, I am sure, to assist the Center's future development.

Cordially,

William Friday
