MEMORANDUM

TO: Fellows of the Carolina Population Center

FROM: J.R. Udry, Director *JRU*

SUBJECT: Selection of Fellows Council

In the first meeting of the Fellows of the Carolina Population Center on 29 September 1977, the Fellows decided on a randomly selected Council of five members to serve an initial period of six months, after which the mechanism would be reviewed. The Council is to work with the Director and his staff to develop policy issues for deliberation and decision by the Fellows as a whole. A random draw was made from the list of Fellows, using a table of random numbers. Invitations were made in the order drawn, eliminating second invitations to a single department. The following persons have agreed to serve on the Council.

Boone Turchi, Economics
Jerry Hulka, Obstetrics
Chirayath Suchindran, Biostatistics
Edward Azar, Political Science
Karl Bauman, Maternal and Child Health

The council will meet weekly, the Fellows monthly for this semester. A second Fellows meeting will be scheduled for the last week in October.
