

**CHNS Other Household Income Master File
General Description
(M04OINC)**

The CHNS Other Household Income Master File contains information regarding other sources of income. As a longitudinal file, this file contains multiple years of data for each household. An individual can have from 1 to 6 years of data as designated by the *WAVE* variable which contains the survey year, 1989, 1991, 1993, 1997, 2000 and 2004.

This file consolidates household subsidy data from 6 survey files:

1989	1991	1993	1997	2000	2004
C89HH11	C91HH12	C93HH13	C97HH	C00HH	C04HH

Some variable names have been changed to be consistent across all survey years and not all variables contain information for all years. See the following [Variable Name Mapping](#) document.
