HELLO!

Sorry to bother you. We are conducting a survey of households regarding various aspects of life. How are your living conditions? How is your health? What is your diet, and can you make ends meet?

All information that may be obtained about your family is strictly confidential. These data are needed only to get an overall picture of conditions in Russia.

The survey is being carried out by Goskomstat of Russia in order to better understand the effects of economic reform on the everyday lives of individual families.

Your family, along with five thousand other families in Russia, has been selected at random by a computer. We realize that this interview will take up some of your free time. And, of course, you will have to work to answer the questions. Therefore we will pay you as our resources permit.

1. FAMILY INFORMATION

Let's talk about your family. By "family" I mean all persons who live with you and share common income and expenditures.

Tell me, please, how many people are there in your family?

2. **How are you related to each of them?**

[INTERVIEWER! PLEASE WRITE THE RELATIONSHIP IN WORDS IN COLUMN 3 OF THE CARD. THEN, USING CODE FORM 1, ENTER THE CORRESPONDING CODE IN COLUMN 4.]

3. **Tell me, please, in what month and year was each of them born?**
