7.6 Where does the primary study migrant live?

Instructions to Interviewer for Question 7.6

Residence

If the primary study migrant has **only one residence** in 7.5, please do the following:

- a. On the next page, circle the appropriate response.
- b. Ask the associated follow up question(s).

If the primary study migrant has **more than one residence** in 7.5, please do the following:

- a. Ask the respondent to choose the residence in which he/she spent the most time in the past 7 days.

If the interview is taking place at the primary study migrant's 1984/1994 origin village, then ask the respondent to think about the most recent 7-day period that he/she spent in the place of destination. For that period, ask the respondent to choose the residence in which he/she spent the most time.

- b. On the next page, circle the appropriate response given in "a."
- c. Ask the associated follow up question(s).

How many people...

For both types of "How many people..." questions described below, the primary study migrant should **NOT** be included in the count.

- For each residence situation, we are interested in how many people live with the primary study migrant. This number will then be used for the next set of questions in 7.7. Due to the importance of this number, it has been given a label of **C.K.T.**, which stands for "chamnuan khon ti yoo duai kab khun."
- In addition, for the construction, dormitory and work place residences, there is a question that asks how many people live in the entire area. This number should include the people living with the primary study migrant plus all other people living at the site or building.

7.6 Where does the primary study migrant live?

1. Live with the house owner or employer

7.6.1 Not including yourself, how many people live here with you (at destination)? C.K.T.

2. Live in quarters at the construction site

7.6.2 Not including yourself, in all, how many people live at the entire construction site? total

7.6.3 Not including yourself, how many people live with you in the room, unit or area where you sleep and cook? C.K.T.

3. Live in a dormitory or rented room

7.6.4 Who does the dormitory belong to?

1. Factory
2. School / college / university
3. Private
4. Employer
5. Other (specify)

7.6.5 Not including yourself, in all, how many people live in this entire dormitory? total

7.6.6 Not including yourself, how many people live with you in the room, unit or area where you sleep and cook? C.K.T.

4. Live at the work place or factory

7.6.7 Not including yourself, in all, how many people live at the entire workplace or factory? total

7.6.8 Are there any subdivisions of the area where people sleep and cook, such as apartments, rooms or screened off areas?

1. Yes - go to 7.6.9
2. No - write the number from 7.6.7 in 7.6.9 below

7.6.9 Not including yourself, how many people live with you in your apartment, room or screened off area where you sleep and cook? C.K.T.

5. Live in a house, flat, or apartment?

7.6.10 Not including yourself, how many people live with you here (at destination)? C.K.T.

6. Other

7.6.11 Not including yourself, how many people live with you here (at destination)? C.K.T.

Now I would like to ask specifically about the people who are living with you.

- 7.7 To be absolutely sure, there are people living with you. This number does not include you.
(**C.K.T. #**)

If there are no people living with the primary study migrant (**C.K.T.=0**), then write **IND1** in the "Form 9 Type" column on Form 8 next to the primary study migrant's name and then go to Form 8.

- 7.8 Of these people, are any of them study migrants?

Show the Migrant List to the primary study migrant. Circle the title of all study migrants who are living with the primary study migrant, then record the total number below.

..... study migrants live with the primary study migrant.

Interviewer: Questions 7.9 - 7.17 are used to determine two things:

- a) The household roster of the primary study migrant which will be listed on Form 8.
- b) The number and type of Form 9's to be filled-out for each study migrant.

- 7.9 Of the people living with you, are any of them your parents, children or spouse?

- 1. Yes
- 2. No - On Form 8, please write **IND1** in the "Form 9 Type" column next to the primary study migrant's name and go to 7.11.

7.9.1 How many?

Record their names on Form 8. If the person is a study migrant, record ID information and then check off the study migrant's name on the Migrant List from 7.8.

- 7.10 Of the names just recorded, do any of them have parents, children or a spouse living in the household?

- 1. Yes
- 2. No - On Form 8, please write **FAM1** in the "Form 9 Type" column next to the primary study migrant's name and next to each family member named in 7.9.1. Then, go to 7.11.

7.10.1 How many?

Record their names on Form 8. If the person is a study migrant, record ID information and then check off the study migrant's name on the Migrant List from 7.8.

On Form 8, please write **FAM1** in the "Form 9 Type" column next to the primary study migrant's name and next to each family member named in 7.9.1 and 7.10.1.

7.11 Check the Migrant List from 7.8 to see if there are any study migrants who have not been listed in Q7.12 and on Form 8.

- If there is an unchecked study migrant:
 - A. Record the study migrant's name in 7.12 and on Form 8,
 - B. Cross off the title in front of the study migrant's name on the Migrant List from 7.8, and
 - C. Complete questions 7.13 - 7.14 for this study migrant.

- If all study migrants have been checked off the Migrant List, then go to question 7.15.
