1. The right of getting pension should not be connected with age, but length of service: worked for 30 years and got the right of full pension independently of age but if length of service is less a person will be able to get only a part of full pension even if he has achieved pension age	1	2	7	8
2. To pay worth pensions to people it's nessesary to increase salaries and transfer payments from them to Pension fund	1	2	7	8
3. It's not nessesary to consider periods when a person was not employed for any reasons, even if it was a child rearing leave or mandatory army service, because payments to Pension fund during this period are not being transferred	1	2	7	8
4. To pay worth pensions, it's nessesary to increase pension payments which employer transfers	1	2	7	8
5. It's nessesary to cancel compulsory payments to cumulative part of pension from employers, whole cumulative part should consist of voluntary payments of worker	1	2	7	8
