

Clare Barrington, PhD, MPH

University of North Carolina at Chapel Hill
Gillings School of Global Public Health
Department of Health Behavior
319B Rosenau Hall, CB #7440
Chapel Hill, NC 27599-7440
cbarrington@email.unc.edu
Office phone: 919 966 9009

EDUCATION

Johns Hopkins Bloomberg School of Public Health, Baltimore MD (May 2007)
PhD, Department of International Health, Social and Behavioral Interventions Program

Johns Hopkins Bloomberg School of Public Health, Baltimore MD (May 2002)
MPH, Department of International Health

Brown University, Providence RI (May 1998)
BA, *magna cum laude*, dual concentration in Community Health and International Development Studies

PROFESSIONAL ACADEMIC EXPERIENCE

Director, Health Behavior Doctoral Program (June 2017–*present*)

Associate Professor (with tenure), University of North Carolina at Chapel Hill, Gillings School of Global Public Health, Department of Health Behavior (Sept 2015–*present*)

Director, Latin American Projects, Institute for Global Health & Infectious Diseases, University of North Carolina at Chapel Hill (January 2012–*present*)

Faculty Fellow, Carolina Population Center, University of North Carolina at Chapel Hill (April 2009–*present*)

Assistant Professor (tenure track), University of North Carolina at Chapel Hill, Gillings School of Global Public Health, Department of Health Behavior (September 2008–2015)

Faculty Affiliate, University of South Carolina, Women and Gender Studies (August 2007–2008)

Assistant Professor (tenure track), University of South Carolina, Arnold School of Public Health, Department of Health Promotion, Education & Behavior (August 2007–2008)

PROFESSIONAL CONSULTATIONS

Population Services International, Washington DC (November 2007–April 2010)

- Analyzed quantitative HIV-related behavioral data collected among female sex workers, men who have sex with men, and youth in Central America and the Caribbean

- Prepared Social Marketing Research Series reports, manuscripts, and conference presentations

Academy for International Development (AED), Dominican Republic (January–August 2009)

- Designed qualitative, formative study to inform HIV prevention efforts with male sex workers in the eastern region of the Dominican Republic
- Trained local researchers in observation, mapping and in-depth interviews
- Collaborated in qualitative analysis and preparation of final report

International Planned Parenthood Federation, Dominican Republic & El Salvador (April–August 2005)

- Evaluated integrated youth HIV and sexually transmitted infection project and wrote final report

Population Services International, Cuba (March–September 2005)

- Supervised design of electronic database and reporting system and trained 20 staff members
- Analyzed quantitative customer satisfaction survey and prepared report with recommendations
- Prepared final report on condom social marketing indicators for the Global Fund
- Supported PSI Country Representative in overall project management

Columbia University, Dominican Republic (January 2005–March 2006)

- Coordinated data collection for a qualitative study exploring experiences with treatment adherence and stigma among 50 men and women living with HIV in Santo Domingo
- Facilitated training in qualitative research methods and interviewing for 10 member research team
- Analyzed interview transcripts and prepared manuscripts and proposals based on findings

HIV Vaccine Trials Network, Dominican Republic, (November 2002–December 2005)

- Collaborated in qualitative instrument development for a formative study examining local perceptions of an HIV vaccine and vaccine research in the Dominican Republic
- Trained 5 local researchers in qualitative data methods, interview techniques, and analysis
- Coordinated recruitment, data collection, and transcription process for study
- Analyzed qualitative interviews and wrote study report and 2 peer-reviewed manuscripts

UNICEF-Santo Domingo, Dominican Republic (August 1999–April 2001)

- Coordinated national-level survey on Goals of the World Summit for Children for end-decade assessment report
- Designed monitoring and evaluation component of UNICEF Program of Cooperation 2002–2006
- Participated in technical committees for decentralization, statistics, and mother-to-child HIV transmission

HONORS

Robert Carr Research Award, International Council of AIDS Service Organizations, (July 2018)

Delta Omega Honorary Society in Public Health, (May 2012)

Scholarship Recipient, National Institutes of Health Office of AIDS Research *Behavioral and Social Science in HIV Vaccine Clinical Research Workshop* (2009)

NIH Loan Repayment Program, National Institute on Minority Health and Health Disparities (2008–2013)

Emerging HIV Scholar, American Public Health Association (2006)

Nancy Stephens Award, Department of International Health, Johns Hopkins Bloomberg School of Public Health (May 2005, 2007)

STD Training Grant, National Institutes of Health, Johns Hopkins School of Public Health (August 2002–July 2003)

Paper presented in the panel "Barbershops, Brothels, & Bibleways: Using community-based strategies to build an evidence base for health behavioral interventions among men of color" at the 30th Annual Meeting of the Society of Behavioral Medicine, Montreal, Canada, April 2009.
10. **Barrington C**, Latkin C, Sweat M, Moreno L, Rosario S, Ellen J, Kerrigan D. *Talking the talk, walking the walk: social networks, norms, and condom use among the male partners of female sex workers in La Romana, Dominican Republic*. Oral poster presented at the XVII International AIDS Conference, Mexico City, Mexico, August 2008.
9. **Barrington C**, Kerrigan D, Moreno L, Caceres F, Brudney K. "*The normal life*": living with HIV/AIDS in Santo Domingo, Dominican Republic. Poster presented at the XVII International AIDS Conference, Mexico City, Mexico, August 2008.

8. Longfield K, Rivas J, Melendez G, **Barrington C**, Buszin J. *Measuring the effectiveness of social marketing programs in Central America: behavior change among female sex workers in El Salvador, Guatemala, Honduras and Nicaragua, 2004–2007*. Poster presented at the XVII International AIDS Conference, Mexico City, Mexico, August 2008.
7. **Barrington C**, Kerrigan D, Moreno L, Caceres F, Brudney K. *La vida normal: living with HIV/AIDS in Santo Domingo, Dominican Republic*. Paper presented at the 68th Annual Meeting of the Society for Applied Anthropology, Memphis, TN, March 2008.
6. **Barrington C**, Kerrigan D, Moreno L, Caceres F, Brudney K. *La vida normal: living with HIV/AIDS in Santo Domingo, Dominican Republic*. Paper presented at the 21st Annual Women's Studies Conference, University of South Carolina, Columbia, SC, February 2008.
5. **Barrington C**, Moreno L, Kerrigan D. *Debe cuidarse en la calle: Norms and sexual behavior among male partners of female sex workers La Romana, Dominican Republic*. Paper presented at the 28th International Sunbelt Social Network Conference, St. Pete, FL, January 2008.
4. **Barrington C**, Moreno L, Rosario S, Kerrigan D. *Social networks and consistent condom use among male partners of female sex workers in the Dominican Republic*. Poster presented at the 134th American Public Health Association Annual Meeting, Emerging Scholars in HIV/AIDS Research Session, Boston, MA, November 2006.
3. Catino J, Moreno L, Rosario S, Gomez B, Jerez H, **Barrington C**, Kerrigan D. *Sharing the Responsibility of HIV/STI Risk Reduction: Strategies to work with male clients of female sex workers in the Dominican Republic*. Paper presented at the 8th World STI/AIDS Congress, Punta del Este, Uruguay, December 2003.
2. **Barrington C**, Moreno, L, Rosario, S, Sweat, M, Kerrigan, D. *Consistent condom use within the sex networks of male client of female sex workers in Santo Domingo, Dominican Republic*. Paper presented at the 2nd Forum on HIV/AIDS/STI in Latin American and the Caribbean, Havana, Cuba, April 2003.
1. Moreno L, Jerez H, Rosario S, Gomez B, Weiss E, Sweat M, **Barrington C**, Kerrigan D. *Combining structural and community-based approaches reduces HIV/STI vulnerability among female sex workers in the Dominican Republic*. Poster presented at the XIV International AIDS Conference. Barcelona, Spain. July 2002.

INVITED TALKS

24. *PrEP Up!: Understanding PrEP stigma to improve uptake among men who have sex with men – Preliminary Findings*. Fogarty International Center, National Institutes of Health. Bethesda, MD. May 18th 2020
23. *La vida normal: following the health transition*. 13th Annual Institute for the Study of the Americas (ISA) Dinner. December 4th. University of North Carolina at Chapel Hill Global Education Center Atrium.
22. *Managing Type 2 Diabetes in San Cristobal, Galapagos*. Galapagos Research Retreat. Center for Galapagos Studies. University of North Carolina at Chapel Hill Hyde Hall. December 5th, 2019.

21. *Investigación social en VIH: Determinantes sociales y respuestas*. Closing Ceremony for the STI/HIV Certificate Program, University of Matanzas, Matanzas, Cuba. October 5th 2019.
20. *A mobile application to monitor health navigation services for people living with HIV in Guatemala*. As part of the webinar (global): Monitoring KPIF Impact toward 95-95-95 for Key Populations. Hosted by CDC, Key Population Investment Fund (KPIF). August 21st, 2019.
19. *PrEP Up!: Understanding PrEP stigma to improve uptake among men who have sex with men*. Fogarty International Center, National Institutes of Health. Bethesda, MD. May 20th, 2019
18. *Stigma, Cohesion and HIV Outcomes among Vulnerable Women across Epidemic Settings: Measurement of sex work stigma*. At: Models, Maps and Measures: Methodological Innovations on the Social Determinants of HIV. American University and National Institutes of Mental Health. Washington DC. May 2nd, 2019
17. *How to get the most out of a Q² design*. Transfer Project Workshop (UNICEF, FAO, UNC). Arusha, Tanzania. April 5th, 2019.
16. *Social determinants of diabetes management in rural Dominican Republic*. Globmed Eminence 2018. UNC-Chapel Hill. November 10th, 2018.
15. Robert Carr Research Award Memorial Lecture. Amsterdam, Netherlands. July 24th, 2018.
14. Voluntary Partner Referral to improve timely HIV diagnosis among key populations. FHI360. Washington DC. January 4th, 2018.
13. Estudios cualitativos longitudinales: buscando el cómo y el por qué? Instituto Pedro Kouri 80th Anniversary Conference. Havana, Cuba. December 7th, 2017.
12. *"HIV and work don't go together": Employment as a social determinant of HIV outcomes among men who have sex with men and transgender women in the Dominican Republic*. 15th Anniversary Research Symposium, HIV Vaccine Research Unit, Instituto Dermatológico y Cirugía de Piel. Santo Domingo. November 15th, 2017.
11. *Longitudinal Qualitative Analysis: Stories of How and Why*. Carolina Population Center Friday Seminar Series. Oct 13th, 2017.
10. *Mixed Methods in Population Health Research*. Carolina Population Center Friday Seminar Series. November 11th, 2016.
9. *Intersectionality and HIV among Latino MSM and transgender women in North Carolina*. Center on Health, Risk and Society. American University. February 24th, 2016. Washington DC.
8. *Stories and Themes: A Framework for Qualitative Analysis*. Carolina Population Center Friday Seminar Series. Oct 30th, 2015. UNC. Chapel Hill, NC.
7. *Social networks, migration and HIV in a new immigrant destination*. Duke Network Analysis Center. September 22nd, 2014. Duke University. Durham, NC.

6. Webinar "*Finding Strength in the Stories of Latinos Living with HIV in the South*". Webinar hosted by Latinos in the Deep South. With Erik Valera, Lisa Hightow-Weidman, Lilli Mann and Judith Montenegro. August 28th, 2014. El Centro Hispano. Carrboro, NC.
5. *VIH en Latinos/as*. UNC Center for Latino Health (CELAH)/Mexican Consulate Binational Health Week Celebration. UNC Chapel Hill. October 2011, 2012, 2013. (Presentation in Spanish)
4. *Health in Central America*. Invited presentation for World View's *Latin America and North Carolina Seminar*, UNC-Chapel Hill, March 2011, 2014.
3. *HIV in Guatemala: Individual, Social and Structural Factors*. Invited presentation for the Student Global Health Committee HIV Narratives Series, UNC-Chapel Hill, March 2011.
2. *Social and Behavioral Perspectives on HIV/AIDS in the Dominican Republic*. Invited presentation at the UNC Center for AIDS Research World AIDS Day 2009 Symposium, UNC-Chapel Hill, December 2009.
1. *Social networks and HIV among the male clients of female sex workers in La Romana, Dominican Republic*. Invited talk presented at the UNC Carolina Population Center Seminar Series, UNC-Chapel Hill, October 2009.

TEACHING

CLASSROOM TEACHING

Gillings School of Global Public Health, University of North Carolina

2009–present

HBEH 815: Foundations of Health Behavior Global Health Module

Description: Doctoral seminar on concepts and theories related to globalization and social and behavioral health.

Enrollment: 2010 (n=13), 2011(spring) (n=8), 2011 (fall) (n=13), 2012 (n=13), 2013 (n=5)

HBEH 754: Advanced Qualitative Research Methods: Analysis and Writing

Description: Advanced seminar on approaches and techniques for qualitative data analysis, interpretation and writing

Enrollment: 2009 (n=5), 2010 (n=13), 2011 (n=14), 2012 (n=15), 2013 (18), 2014 (n=16), 2015 (n=15), 2016 (n=11), 2017 (n=17), 2018 (n=15), 2019 (n=18)

Arnold School of Public Health, University of South Carolina

2008–2009

Research Seminar in Qualitative Methods, Department of Health Promotion, Education & Behavior (Spring 2008)

Description: Graduate research seminar on the design, methods and analysis of qualitative publish health research

Health Education Research Seminar, Department of Health Promotion, Education & Behavior (Spring 2008)

Description: Graduate research seminar on topics in health behavior

GUEST LECTURES

Gillings School of Global Public Health, University of North Carolina at Chapel Hill

2019-20

Theoretical Foundations of Behavioral and Social Science (HBEH 730), Department of Health Behavior, “HIV and Social Networks” (Fall 2019) (47 students)

2018-2019

Epidemiology & Social Aspects of HIV/AIDS in Developing Countries (EPID 757) “Adapting a multi-level intervention for transgender women sex worker living with HIV in the Dominican Republic” (Spring 2019) (8 students)

Theoretical Foundations of Behavioral and Social Science (HBEH 730), Department of Health Behavior, “HIV and Social Networks” (Fall 2018) (48 students)

2017-2018

Theoretical Foundations of Behavioral and Social Science (HBEH 730), Department of Health Behavior, “HIV and Social Networks” (Fall 2017) (46 students)

2016-2017

Theoretical Foundations of Behavioral and Social Science (HBEH 730), Department of Health Behavior, “HIV and Social Networks” (Fall 2016) (46 students)

Epidemiology of HIV in Developing Countries (EPID 757), Department of Epidemiology. “Developing, Evaluating and Scaling up a multi-level intervention for female sex workers living with HIV in the Dominican Republic”. (12 students)

Professional Development II (HBEH 813), Department of Health Behavior, Invited Panelist (“The Peer Review Process”), (Spring 2017) (9 doctoral students).

2015-2016

Human Sexuality. (MHCH 685) “Abriendo Puertas: Developing, piloting, evaluating and scaling up a multi-level intervention for female sex workers living with HIV”. (Spring 2016) (38 students)

Lesbian, Gay, Bisexual, and Transgender Health: A Population Perspective. (MHCH 707/HBEH 705/HPM 707). “HIV and work don’t go together: living with HIV and being gay, bisexual or transgender in Latin America”. (Spring 2016) (12 students)

Theoretical Foundations of Behavioral and Social Science (HBEH 730), Department of Health Behavior, “HIV and Social Networks” (Fall 2015) (50 students)

2014–2015

Interdisciplinary Perspectives in Global Health (PUBH 510), “Social networks, migration and HIV in a new immigrant destination” (Fall 2014) (19 students)

Theoretical Foundations of Behavioral and Social Science (HBEH 730), Department of Health Behavior, “HIV and Social Networks” (Fall 2014) (56 students)

2013–2014

Theoretical Foundations of Behavioral and Social Science (HBEH 730), Department of Health Behavior, “HIV Prevention and Social Networks: A Case Study from the Dominican Republic” (Fall 2013) (54 students)

Theoretical Foundations of Maternal and Child Health Research (MHCH 859), Department of Maternal and Child Health, “Social Networks and HIV prevention research in the Dominican Republic” (Fall 2013) (8 students)

2012–2013

Theoretical Foundations of Behavioral and Social Science (HBEH 730), Department of Health Behavior, “HIV Prevention and Social Networks: A Case Study from the Dominican Republic” (Fall 2012) (58 students)

2011–2012

Theoretical Foundations of Maternal and Child Health Research (MHCH 859), Department of Maternal and Child Health, “Qualitative Research” (Fall 2011) (8 students)

Theoretical Foundations of Behavioral and Social Science (HBEH 730), Department of Health Behavior, “HIV Prevention and Social Networks: A Case Study from the Dominican Republic” (Fall 2011) (56 students)

2010–2011

Theoretical Foundations of Maternal and Child Health Research (MHCH 859), Department of Maternal and Child Health, “Qualitative Research” (Fall 2010) (10 students)

Theoretical Foundations of Behavioral and Social Science (HBHE 730), Department of Health Behavior and Health Education, “HIV Prevention and Social Networks: A Case Study from the Dominican Republic” (Fall 2010) (58 students)

2009–2010

Control of Infectious Diseases in Developing Countries (EPID 756), Department of Epidemiology, “HIV prevention and control: A Case Study from the Dominican Republic” (Spring 2010) (30 students)

Theoretical Foundations of Maternal and Child Health Research (MHCH 859), Department of Maternal and Child Health, “Qualitative Research” (Fall 2009) (10 students)

2008–2009

Control of Infectious Diseases in Developing Countries (EPID 756), Department of Epidemiology, “HIV prevention and control: A Case Study from the Dominican Republic” (Spring 2009) (50 students)

Qualitative Evaluation and Research Methods (HBHE 753), Department of Health Behavior and Health Education, “Formative Research: Applications for Research & Interventions” (Spring 2009) (45 students)

Social and Behavioral Sciences in Public Health (HBHE 600), Department of Health Behavior and Health Education, “Structural Interventions and HIV: A Case Study from the Dominican Republic” (Spring 2009) (250 students)

Doctoral Research Methods Seminar (HBHE 760), Department of Health Behavior and Health Education, “Using Social Network Methods to Explore HIV Risk Behaviors among Men in the Dominican Republic” (Fall 2008) (10 students)

Global Health Dinner Series (PUBH 500), “Reflections on Career Development in Global Health” (Fall 2008) (50 students)

American University, Washington DC

2018-2019

Community-Based Action Research and Policy Practicum in Immigrant Health (American University).
“Qualitative Analysis”. (Spring 2019). (5 students)

Arnold School of Public Health, University of South Carolina:

2008–2009

HIV/AIDS Education (HPEB 684), Department of Health Promotion, Education and Behavior,
“Evolution of HIV prevention efforts in the commercial sex industry of the Dominican Republic”
(Spring 2008) (50 students)

ADVISING

Post-doctoral fellows

Deshira Wallace, Carolina Postdoctoral Program for Faculty Diversity Scholar, June 2019-present

Tamar Goldenberg, Carolina Population Center Postdoctoral Scholar, September 2019-present

PhD Dissertation Chair, Department of Health Behavior

Victoria Shelus, Spring 2020-present

Sophia Bartels*, Fall 2019-present

Carolina Ruiz*, Fall 2019-present

Virginia Savage, Fall 2018-present

Dirk Davis, Fall 2016-present

Amelia Rock*, Fall 2014-present

Priscilla Brietzke, Fall 2012–Spring 2019

Laura Villa Torres, defended January 2018

Dissertation title: *Mental health of Latino immigrants in North Carolina: assessing the effect of documentation status and citizenship on the wellbeing of mixed-status families*

Leslie Cofie, defended August 2016

Dissertation title: *Social network structural and functional characteristics and health facility delivery among pregnant women in rural Ghana*

-Postdoctoral Fellow, University of Texas, Galveston (August 2016-2018)

-Assistant Professor, Department of Health Education and Promotion, East Carolina University
(Sept 2018-present)

Christine Agnew Brune, defended May 2016

Dissertation title: *Examining Digital Dating Abuse among Adolescents*

-Epidemic Intelligence Service Fellow, Centers for Disease Control

Paul Fleming, defended June 2015

Dissertation title: *The role of masculine gender norms in HIV vulnerability among Dominican men enrolled in a circumcision pilot study*

-Postdoctoral Fellow, Division of Global Public Health, University of California San Diego School of Medicine (August 2015-2016)

-Assistant Professor, University of Michigan Department of Health Behavior and Health Education. (September 2016-present)

Ann Gottert, defended September 2014

Dissertation title: *Gender norms, masculine gender-role strain, and HIV risk behaviors among men in rural South Africa*

-Postdoctoral Fellow, Department of Epidemiology, University of North Carolina (Fall 2014-present)

- Research Associate, Population Council, Washington DC (Fall 2015-present)

PhD Dissertation Committees, Department of Health Behavior

Deshira Wallace, defended Spring 2019

Dissertation title: *"Stress makes it difficult to live a healthy life": The relationship between stress and dietary behaviors among Latinos*

- Carolina Postdoctoral Program for Faculty Diversity Scholar, (June 2019-present)

Yesenia Merino, defended Spring 2019

Dissertation title: *Inclusion and Bias in Public Health Training*

Andre Brown, defended October 2016

Dissertation title: *Opportunity Matters: Economics, Masculinity, and Sexual Concurrency among Black Men*

-Visiting Assistant Professor, Behavioral and Community Health Sciences, Graduate School of Public Health, University of Pittsburgh (Fall 2019 to present)

-Postdoctoral Scholar, University of Pittsburgh Graduate School of Public Health (2016-2018)

Larry Scholl, defended June 2015

Dissertation title: *Parenting for the learner stage of graduated driver licensing: the role of parents in preparing teen drivers, variations in supervised driving experiences, and impacts on teen driving*

Paul Gilbert, defended May 2013

Dissertation title: *A mixed-methods investigation of alcohol use among immigrant sexual minority Latinos in North Carolina*

-Associate Scientist Alcohol Research Group, Public Health Institute, Oakland, CA (2013-2015)

-Assistant Professor (Tenure Track) University of Iowa, Department of Community and Behavioral Health (Fall 2015-present)

Andrea Heckert, defended March 2013

Dissertation title: *A mixed-methods examination of the influence of social conditions and social networks on the sexual risk behavior of structurally vulnerable African American Male Substance-Users*

-Program Officer, Patient-Centered Outcomes Research Institute, Washington, DC (January 2015-present)

PhD Dissertation Committees, University of North Carolina at Chapel Hill

Khristopher Nicholas, Nutrition

Meghan Miller, Environmental Sciences and Engineering

Marlous de Miliano*, Public Policy, defended April 2020

Dissertation title: *Three Essays on Household Wellbeing in Sub-Saharan Africa*

Research Associate, American Institutes for Research.

Katherine Kenny, Maternal and Child Health (Health Behavior minor), defended August 2018.

Dissertation title: *Child custody loss and HIV vulnerability among female sex workers*

William Miller, Epidemiology, defended December 2015

Dissertation title: *Men who have sex with men and transgender people in Guatemala: Sex work, venues, and sampling's role in the HIV epidemic*

Heather Edelbute, Sociology, defended June 2015

Dissertation title: *Family life on the other side of the border: the role of women's networks in sustaining families in Mexico*

Assistant Professor, University of Texas at San Antonio.

Anisha Gandhi, Epidemiology (CPC trainee), defended August 2014

Dissertation title: *Migration, social disadvantage, sexual partnerships, and HIV/STI in the Garifuna population of Honduras*

Postdoctoral Research Fellow, HIV Center for Clinical and Behavioral Studies, Columbia University

RESEARCH FUNDING

ACTIVE GRANTS

National Institutes of Aging

1R01AG061437-01A1 (Handa)

Role: Co-Investigator (Qualitative Lead)

The effect of poverty, stress and immune function on health across the life-course.

September 2019 – April 2024

National Institutes of Mental Health

1R01MH118955

Role: Co-Principal Investigator (Barrington, Wohl, Kerrigan)

Patient and Provider perspectives on long acting injectable ART

May 2019-February 2024

Fogarty International Center, National Institutes of Health

R21TW011264

Role: Principal Investigator

PrEP Up!: Understanding PrEP stigma to improve uptake among men who have sex with men

April 2019-March 2021

National Institutes of Mental Health

R01MH110158

Role: Sub-contract Principal Investigator (PI Kerrigan)

Stigma, cohesion and HIV outcomes among vulnerable women across epidemic settings

March 2017-March 2021

NC Dept of Health and Human Services (CDC Prime)

ELC 2017J3

Role: Co-I (Qualitative Lead) (PI Sena-Soberano)

ELC Project J3: Combined HIV and STD Prevention and Care for Vulnerable Men who Have Sex with Men and Transgender Women via Network Methods
08/01/2019 - 07/31/2020

International Food Policy Research Institute (IFPRI)

IFPRI 13728 (Barrington)

2

Role: Principal Investigator

Cash Transfer and Intimate Partner Violence (CT & IPV) Research Collaborative

01/01/2019 - 12/31/2020

National Institute for Child Health and Human Development (NICHD)

P2CHD050924

Role: Methods Core Member (Qualitative Methods) (PI Frankenberg)

Population Dynamics Centers Research Infrastructure (P2C)

07/11/05-05/31/20

COMPLETED GRANTS

UNICEF Malawi

Role: Principal Investigator

Policy Options to Improve Educational Impact of the Malawi SCTP

April 2019-December 2019

UNICEF Malawi

Role: Principal Investigator

Impact of the Malawi Social Cash Transfer on Beneficiaries' Vulnerabilities Throughout the Life Cycle

January 2019-December 2019

Institute for Healthcare Improvement (IHI)/Gates Foundation

Role: Co-Investigator (PI Singh)

Evaluation of Quality Improvement in Ethiopia

January 2016-January 2020

National Institutes of Mental Health

3R01MH110158-04S1

Role: Co-Principal Investigator (Co-PI Kerrigan)

Supplement: Assessing social dynamics and HIV outcomes to inform interventions with transgender women living with HIV

September 2018-2019

Health Resources and Services Administration (HRSA)

Special Projects of National Significance

Role: Co-Investigator (PI Hightow-Weidman)

September 2013–2019

Enlaces por la Salud: Finding, Linking and Retaining Mexican MSM and Transgender Women in HIV Care in North Carolina

Centers for Disease Control

Role: Co-Investigator (PI Sena-Soberano)

Combined HIV and STD Prevention and Care for Vulnerable Men who Have Sex with Men and Transgender Women via Network Methods

August 2017-August 2019

UNICEF Office of Research-Innocenti

Role: Principal Investigator

Evaluating the LEAP 1000 Program in Ghana: Integrating qualitative and quantitative methods to understand processes and mechanisms of impact

September 2015- November 2018

Total award: 300,000

PEPFAR/Office of the US Global AIDS Coordinator (OGAC)

Key Population Implementation Science Award

Role: Co-Principal Investigator

January 2014– August 2018

Strengthening the “Reach-Test-Treat-Retain” cascade for men who have sex with men and transgender population in Guatemala: Formative research, a pilot intervention, and scale-up

Total award: \$1,571,886

National Institutes of Health K24

Role: Qualitative Advisor (PI Wohl)

January 2014-2018

Mentoring New Investigators in Criminal Justice HIV Prevention and Treatment

US Agency for International Development/FHI 360 – Linkages Project

Role: Principal Investigator

Expanding a partner referral strategy for key populations in the Dominican Republic

October 2017-October 2018

Total award: \$200,000

US Agency for International Development/FHI 360 – Linkages Project

Role: Principal Investigator

Developing a partner referral protocol for key populations in the Dominican Republic

October 2016-December 2017

Total award: \$150,000

US Agency for International Development/FHI 360 – Linkages Project

Role: Principal Investigator

Scaling up the Abriendo Puertas intervention for female sex workers living with HIV

October 2015-May 2017

Total award: \$300,000

United Nations Children’s Fund (UNICEF)

Role: Co-Investigator (PI Handa)

February 2013–2016

Impact Evaluation of the Malawi Social Cash Transfer Programme (RFP-MLWB-2012-009)
Total award: \$1,134,862

UNICEF

Role: Principal Investigator
Research on the Effect of Malawi Social Cash Transfer Program for Building Household Resilience in Balaka District
May 2015-2016
Total award: \$61,270

Institute for Healthcare Improvement (IHI)/Gates Foundation (Supplement to Projects Fives Alive!)

Role: Co-Investigator (PI Singh)
October 2013–2015
Evaluation of Referral Solutions for Mothers and Newborns in Ghana
Total award: \$829,606

Institute for Healthcare Improvement (IHI)/Gates Foundation

Role: Co-Investigator (PI Singh)
June 2010–August 2015
Evaluation of Project Fives Alive! in Ghana
Total award: \$798,269

National Institutes of Health

Fogarty International Training Grant
Role: Co-Investigator (PI Pettifor)
August 2014-2018
UNC Wits AIDS Implementation Research and Cohort Analyses Training Grant
Total award: \$1,503,046

PEPFAR/Office of the US Global AIDS Coordinator (OGAC)

Key Population Challenge Fund
Role: Co-Principal Investigator (Co-PI Morales)
March 2014–May 2015
Making the Link: Operations Research to Develop an Integrated Model to Promote HIV testing and Linkages to Care among MSM and Transgender persons in Guatemala City
Total award: \$506,800

National Institute for Drug Abuse (NIDA)

1R01DA028766-01A1
Role: Co-Investigator (PI Khan)
January 2010–June 2015
Relationship Disruption during Incarceration and HIV Risk in African American Men
Total award: \$2,871,354

UNC, Institute for Global Health & Infectious Diseases

Global Health Faculty Research Partnership Grant

Role: Principal Investigator

April 2014– 2015

Voluntary Medical Male Circumcision and HIV Prevention in Concentrated Epidemics

Total award: \$5,000

US Agency for International Development–Research to Prevention (R2P) Project

Role: Co-Investigator (PI Kerrigan)

February 2011– 2014

Developing and evaluating the effectiveness of an intervention to reduce HIV-related risk behaviors among regular male partners of female sex workers in the Dominican Republic

Total award: \$68,166

University of North Carolina at Chapel Hill

Project EXPORT Racial and Ethnic Health Disparities Grant Proposals

Role: Principal Investigator

May 2011–2013

Using Social Networks to Reach Latino men for HIV Testing and Linkage to Care

Total Award: \$75,000

US Agency for International Development – Research to Prevention (R2P) Project

Role: Sub-contract Principal Investigator (PI Kerrigan)

January 2010–September 2011

Formative research with men who have sex with men and female sex workers living with HIV in the Dominican Republic and Swaziland.

Total award: \$91,256

UNC, Center for AIDS Research (CFAR)

Faculty Development Award

Role: Principal Investigator

April 2009–May 2012

Pilot grant for research proposal titled: Migration and HIV among Mexicans in North Carolina

Total award: \$20,000

American Academy of Family Physicians Foundation

Role: Faculty Advisor (PI Fisher)

March 2009-May 2012

Provide technical support for project to accelerate best practices in peer support around the world

Total award: \$4,384,002

UNC, Institute for Global Health & Infectious Diseases

Global Health Faculty Research Partnership Grant

Role: Principal Investigator

February 2010–2012

Developing research collaboration to examine social determinants of Prostate Cancer in Cuba

Total award: \$5,000

UNC, Office of the Executive Vice Chancellor and Provost

Junior Faculty Development Award

Role: Principal Investigator

December 2009–2010

Qualitative evaluation of HIV intervention with male clients of female sex workers in the Dominican Republic

Total award: \$7500
