

Anneliese M. Long

Curriculum Vitae
March 15th, 2022

207 E. Cameron Ave, Chapel Hill, NC **Tel:** 727-459-6648 **Email:** annelong@live.unc.edu

EDUCATION

- 2019- Doctor of Philosophy, Anthropology, University of North Carolina at Chapel Hill (UNC-CH)
- Chair: Amanda Thompson, PhD, MPH
- Doctoral Minor: Epidemiology
- 2021 Master of Arts, Anthropology, University of North Carolina at Chapel Hill (UNC-CH)
- Chair: Amanda Thompson, PhD, MPH
- 2018 Bachelor of Arts, Anthropology, University of South Florida, (USF), Cum Laude

PUBLICATIONS

- 2018 Kihlstrom, L., **Long, A.**, & Himmelgreen, D. (2018, September). Barriers and Facilitators to the Consumption of Fresh Produce among Food Pantry Clients. *Journal of Hunger and Environmental Nutrition*, 11(3), 1-15.

GRANTS AND SCHOLARSHIPS

- 2021 Leadership Scholars Program, UNC Graduate School, UNC (\$500)
- 2021 Center for the American South Graduate Research Grant, UNC (\$500)
- 2021 Center for the American South Summer Research Award, UNC (\$3,000)
- 2021 National Institutes of Health, External (\$7,350)
- 2020 COVID-19 Summer Impact Fund for Graduate Students, UNC (\$5,000)
- 2020 Kupfer Summer Research Award from the Department of Anthropology, UNC (\$1,250)
- 2018 Conference Presentation Grant for Presentation at the Society for Applied Anthropology Annual Meeting, USF (\$500)
- 2018 Student Government Conference Travel Grant for the American Association of Physical Anthropologists Annual Meeting, USF (\$400)
- 2017 Student Government Conference Travel Grant for the Society for Applied Anthropology Annual Meeting, USF (\$400)

2017 Student Government Conference Travel Grant for the American Anthropological Association Annual Meeting, USF (\$400)

RESEARCH EXPERIENCE

2021- Carolina Population Center: Biosocial Predoctoral Program, UNC
Air Pollution and Reproductive Health Study (Dissertation Pilot Study)
Research Mentors: Amanda Thompson, PhD, MPH and Stephanie Engel, PhD

2021 National Institutes of Health Graduate Student Summer Intern, NIEHS
Time to Conceive Study
Research Mentor: Anne Marie Jukic, PhD

2021 Department of Anthropology, UNC
Time to Conceive Study on Serum Levels of Anti-Mullerian Hormone, Follicle Stimulating Hormone, Inhibin-B, and C-Reactive Protein in Women Attempting Pregnancy (Thesis Research)
Principal Investigator: Anne Steiner, MD

2017 Research Assistant, USF
Older Adults Study on Linkages between Food Insecurity, Social Isolation, and Loneliness in Health Clinic Patients.
Principal Investigator: David Himmelgreen, PhD

2017 Research Assistant, USF
General Investigation into the Cytokines in Human Breast Milk and Laboratory Research Methods
Principal Investigator: Elizabeth Miller, PhD

2017 Research Assistant, USF
The Last Mile Study: The Barriers to the Utilization of Fresh Produce among Food Pantry Clients in the Tampa Bay Region.
Principal Investigator: David Himmelgreen, PhD

TEACHING EXPERIENCE

2019- Teaching Assistant, Anthropology Department, University of North Carolina in Chapel Hill

EXTRACURRICULAR UNIVERSITY SERVICE

2020- Treasurer, Society of Anthropology Graduate Students, UNC

- 2021- Brown Bag Committee Member, Society of Anthropology Graduate Students, UNC
