EDUCATION

1988 PhD, Demography, University of Pennsylvania
 1979 MA, Demography, University of Pennsylvania
 1972 BA, Computer Science, Pennsylvania State University

FIELDS OF INTEREST

- Social inequality and health
- Family demography
- Social science genomics
- Biodemography
- Life course and aging

POSITIONS AND SCIENTIFIC APPOINTMENTS

2008- James E. Haar Distinguished Professor of Sociology, UNC-CH
 2007- Adjunct Professor of Public Policy, UNC-CH
 2012- Co-Director and PI, Add Health Parent Study, Carolina Population Center, UNC-CH
 2023-25 Chair, Section 53, Class V, National Academy of Sciences, Engineering and Medicine
 2004-21 Director and PI, National Longitudinal Study of Adolescent to Adult Health (Add Health), Carolina Population Center, UNC-CH
 1998-04 Deputy Director, National Longitudinal Study of Adolescent Health, Carolina Population Center, UNC-CH
 2020-21 President, Interdisciplinary Association of Population Health Sciences (IAPHS) (President-elect 2020)
 2017-22 Annual Review of Sociology, Editorial Committee
 2017-21 Chair (2019-21) and member, Scientific Review Study Section: Social Sciences and Population (SSPA), Center for Scientific Review, National Institutes of Health
 2012-21 Chair (2015-21) and member, Committee on Population, National Academy of Sciences
 2012-18 Member, National Advisory Committee (NAC) on Racial, Ethnic, and Other Populations, U.S. Bureau of the Census
 2013-17 Member, Advisory Council, Carolina Population Center, UNC-CH
 2010-11 Director, Carolina Population Center, UNC-CH
 2008-09 President, Population Association of America (President-elect 2008)
 2008-11 Member, Board of Scientific Counselors (BSC) of the National Center for Health Statistics (NCHS)
 2007-10 Member, Board of Overseers, General Social Survey (GSS)
 2006-09 Council member, Inter-University Consortium for Political and Social Research (ICPSR)
 2005-06 Vice-President, Population Association of America (VP-elect 2005)
 2003-08 Gillian T. Cell Distinguished Term Professor of Sociology, UNC-CH
 1998-01 Deputy Editor, *Demography*

2001-05	Member, Scientific Review Study Section: Social Sciences and Population Studies (SSPS), Center for Scientific Review, National Institutes of Health
1997-00	Member, Board of Directors, Population Association of America
1997-00	Associate Chair, Department of Sociology, UNC-CH
1994-95	Member, Faculty Council, UNC-CH
1993-98	Member, Advisory Council, Carolina Population Center, UNC-CH
1990-00	Assistant to Associate to Full Professor, Department of Sociology, UNC-CH
1990-	Fellow, Carolina Population Center, University of North Carolina at Chapel Hill (UNC-CH)

HONORS, AWARDS & FELLOWSHIPS

2023	Inaugural Infrastructure Prize for Sociology, Kohli Foundation for Sociology
2023	J. Michael McGinnis Leadership Excellence Award, Interdisciplinary Association for Population Health Science (IAPHS)
2020-22	University Scholar, Research Triangle Institute, International
2020	Fellow, American Association for the Advancement of Science (AAAS) (elected)
2019	American Academy of Arts and Sciences (elected)
2019	Irene Taeuber Award, from Population Association of America in recognition of an unusually original or important contribution to the scientific study of population
2018	Kenan Leave, University of North Carolina at Chapel Hill
2017	Member, Presidential Counselors, appointed by Eric J. Barron, President, The Pennsylvania State University
2017	Society of Distinguished Alumni, Pennsylvania State University (selected)
2017	Outstanding Mentor Award, Office of Postdoctoral Affairs, UNC-CH
2016	Golden Goose Award for leadership of Add Health, from the US Congress, Association for the Advancement of Science (AAAS) and the Association of American Universities (AAU)
2016	Distinguished Alumni Award, Pennsylvania State University
2014	National Academy of Sciences (elected)
2013	Warren E. Miller Award for Meritorious Service to the Social Sciences, a biennial award from the Inter-University Consortium for Political and Social Research (ICPSR) to recognize individuals who have had a profound impact on social science research and infrastructure
2006-07	Rachel Rosenfeld Graduate Student Association Award for Excellence in Mentoring, UNC-CH
2006	Nominee for Graduate School Faculty Award for Excellence in Doctoral Mentoring, University of North Carolina at Chapel Hill
2004	Clifford C. Clogg Award for Early Career Achievement in Population Studies and Demography, a biennial award from the Population Association of America and the Population Research Institute of the Pennsylvania State University
2001	Kenan Leave, University of North Carolina at Chapel Hill
2000	Member, Sociological Research Association (honorary).
1999	Young investigator representative for the University of North Carolina at the Science Coalition Signature Event, entitled "Science: Investing in the Future" (selected by UNC System President, Molly Broad)
1997	Otis Dudley Duncan Award for outstanding scholarship in social demography, Sociology of Population Section, American Sociological Association
1992-93	Lilly Teaching Fellow: Lilly Endowment Inc., Indianapolis, IN and the College of Arts and Sciences, UNC-CH
1988-90	Hewlett Post-Doctoral Fellow: Population Studies Center, University of Pennsylvania
1986-88	Mellon Dissertation Fellow in the Program for Accessing and Revitalizing the Social Sciences (PARSS), University of Pennsylvania

GRANTS AWARDED (total \$240+ million)

Current projects are **bold**

- 2023-28 **"Add Health Parent Study: A Biosocial Resource for the Study of Multigenerational Racial/Ethnic Disparities in Alzheimer's Disease and Alzheimer's Disease-Related Dementias (AD/ADRD)." National Institute of Aging, Grant R01 AG084071. Principal Investigator (MPI: V. Joseph Hotz, Krista Perreira, Naomi Duke). Total costs: \$25,300,054.**
- 2022-26 **"Ranking the Effect of Early-life Social and Lifestyle Risk Factors on Biological Functioning and Premature Mortality to Prioritize Prevention Strategies." Swiss National Science Foundation, Grant# 208205. Project Partner (Co-investigator); PI: Cristian Carmeli, University of Fribourg, Switzerland. Total costs: 449,920 CHF.**
- 2022-24 **"Add Health as a Resource for the Science of the Exposome and Risk for AD/ADRD." National Institute of Aging, Supplement to U01 AG071450-02S1. Co-investigator (PI Hummer). Total costs: \$3,956,640.**
- 2021-25 **"National Longitudinal Study of Adolescent to Adult Health (Add Health): Wave VI Core Project." National Institute of Aging, Grant U01 AG071448. Co-Investigator (PI Hummer). Total costs: \$28,400,000.**
- 2021-25 **"National Longitudinal Study of Adolescent to Adult Health (Add Health): Wave VI Cognition and Early Risk Factors for Dementia Project" National Institute of Aging, Grant U01 AG071450. Co-Investigator (MPI Aiello/Hummer). Total costs: \$10,200,000.**
- 2020-25 **"The Microbiome and Biological Aging in the Add Health Study" National Institute of Aging, Grant R01 AG066498. Principal Investigator (MPI: Matthew B. McQueen, Kenneth S. Krauter, Allison Aiello). Total costs: \$3,856,894.**
- 2020-25 **"Research Network on Animal Models to Understand Social Dimensions of Aging." National Institute of Aging, Grant R24 AG065172. Principal Investigator (MPI: Jenny Tung, Alessandro Bartolomucci). Total costs: \$2,015,123.**
- 2020-23 **"Differential Impacts of Co-occurring Childhood Maltreatment and Long-term Polyvictimization on Chronic Physical Illnesses Via Inflammation: Do Age at Exposure and Sexual Orientation Matter?" National Institute of Child Health and Human Development Grant F32 HD103400, Faculty Sponsor to Aura Mishra, F32 PI. Total direct costs: \$194,793.**
- 2019-21 **"Life Course Sociogenomic Analysis of Social Inequalities in Aging." Russell Sage Foundation, Biology and Social Science (BioSS) Initiative. Co-Investigator (PI: Daniel Belsky, Columbia University). Total costs: \$167,303.**
- 2018-23 **"Diseases of Despair in Young Adulthood: Risk, Resilience, and Prevention." National Institute of Mental Health Grant R01 MH117559. Co-Investigator (PI: William Copeland). Total costs: \$1,860,260.**
- 2018-23 **"The Add Health Epigenome Resource: Life course stressors and epigenomic modifications in adulthood." National Institute on Minority Health and Health Disparities Grant R01 MD013349. Principal Investigator (MPI: Allison Aiello) Total costs: \$3,515,272.**
- 2018-20 **"Research Tools to enable Widespread Access and Use of Add Health GWAS Data." National Institute of Child Health and Human Development, Grant R03 HD097630. Principal Investigator (MPI: Christy Avery). Total costs: \$155,500.**
- 2018-21 **"Health Disparities: Inflammatory Response, Immune Function, and Environmental (In)Congruence" National Institute of Child Health and Human Development, Grant R21 HD095448. Co-investigator (MPI: Taylor Hargrove, Lauren Gaydos). Total costs: \$457,459.**
- 2014-19 **"Socioeconomic and Racial Gaps in Schools: Implications for Health and Employment." Russell Sage Foundation Presidential Award 96-18-01. Co-Principal Investigator (with Greg Miller, Northwestern University). Total costs \$49,999.**
- 2017-23 **"Life Course Process of Alzheimer's Disease: Sex Difference and Biosocial Mechanisms." National Institute of Aging Grant R01 AG057800. Co-Investigator (PI: Claire Yang). Total costs: \$3,600,000.**
- 2016-23 **"Social Context, the Life Course, and Genetic Transcription in Add Health." National Institute of Child Health and Human Development, Grant R01 HD087061. Principal Investigator. Total costs \$3,802,118.**

2017-20 "Adolescent Social Risks and Resources and Young Adult Health." National Institute of Child Health and Human Development, Grant F32 HD091959, Faculty Sponsor to Julie Olson, F32 PI. Total direct costs: \$183,594.

2017-20 "Enhancing Scientific Community Access to Add Health Data." National Institute of Child Health and Human Development, Grant R03 HD091318. Co-investigator (PI: Robert Hummer) Total costs \$155,208.

2016-18 "Using Record Linkage to Generate the Add Health Children Study Database." National Institute of Child Health and Human Development, Grant R21 HD088846. Principal Investigator (MPIs: Jennifer Buher Kane and Jon M. Hussey). Total costs \$432,086.

2015-18 "Childhood Family Instability, Adult Stress Reactivity, and Consequences for Health." National Institute of Child Health and Human Development, Grant F32 HD084117, Faculty Sponsor to Lauren Gaydosh, F32 PI. Total direct costs: \$157,290.

2015-19 "Adolescent and Adult Lives of Children of Parents Returning from Prison." National Science Foundation, Grant 1535563. Principal Investigator of UNC subcontract to John L. Hagan and Holly A. Foster, PIs. Total subcontract costs: \$325,397.

2014-15 "The Maternal Life Course Origins of Infant Health." National Institute of Child Health and Human Development, Grant K99 HD075860. Primary mentor to Jennifer Buher-Kane, K99 PI. Total direct costs: \$162,468.

2014-21 "The National Longitudinal Study of Adolescent Health: Wave V." National Institute of Child Health and Human Development, Grant 4 P01 HD031921. Principal Investigator. Total costs \$28,932,277.

2014-21 "Exome Variants Underlying Weight Gain from Adolescence to Adulthood." National Institute of Child Health and Human Development, Grant R01 HD057194. Co-Investigator (PI: Gordon-Larsen). Total costs \$2,975,722.

2014-19 "Center for Population Health and Aging—External Network Core" Duke University. National Institute of Aging, Grant P30 AG034424. Total subcontract award \$154,676.

2013-18 "Add Health Parent Study: Phase I." National Institute of Aging, Grant R01 AG042794. Principal Investigator (MPI: Joseph Hotz). Total costs \$8,260,187.

2012-19 "Add Health: A Genotype and Phenotype Resource for the Global Scientific Community." National Institute for Child Health and Human Development, Grant R01 HD073342. Principal Investigator. Total costs \$3,759,465.

2012-14 "Locating the Parents of Add Health." National Institute of Aging, Grant R21 AG042663. Principal Investigator (MPI: Joseph Hotz). Total costs \$339,750.

2010-15 "Social Demographic Moderation of Genome Wide Associations for Body Mass Index." Principal Investigator of University of Colorado subcontract via National Institute for Child Health and Human Development, NIH Grant R01 HD060726 (MPIs Matthew B. McQueen and Jason Boardman). Total costs \$3,658,058.

2009-11 "Genetic/Epigenetic Markers, Social Contexts, Lifecourse & Risky Health Behaviors." National Institute for Drug Abuse, NIH Grant RC1 DA029425. Co-investigator (PI Guang Guo). Total costs \$1,029,488.

2008-09 "Marriage and Health in the Transition to Adulthood: Evidence for the African-American Community from the National Longitudinal Study of Adolescent Health." Office of the Assistant Secretary for Planning and Evaluation, U.S. Department of Health and Human Services, through a contract with Mathematica Policy Research. Principal Investigator. Total costs \$10,000.

2008-12 "Gene by Social-Control Interactions for Delinquency and Crime." National Science Foundation HSD 0826913. Co-investigator (PI Guang Guo). Total costs \$775,871.

2018-10 "Genetic Predispositions, Social Contexts, and Longitudinal Binge Drinking." National Institute of Alcohol Abuse and Addiction supplement to the National Longitudinal Study of Adolescent Health, NICHD Grant P01 HD031921. Co-Principal Investigator and Program Director. Total costs \$213,843.

2006-09 "Parental Incarceration and Intergenerational Social Exclusion: The Long Arm of the Law." Principal Investigator of Northwestern University subcontract via National Science Foundation, (PI John Hagan). Total costs \$220,000.

2006-14 "The National Longitudinal Study of Adolescent Health: Wave IV." National Institute of Child Health and Human Development, Grant 3 P01 HD031921. Principal Investigator. Total costs \$36,034,754.

2006-14 "Family Formation, Career Trajectories, and Health." National Institute of Child Health and Human Development, Grant 3 P01 HD031921. Principal Investigator of Subproject in program project, "The National Longitudinal Study of Adolescent Health: Wave IV." Total costs \$1,123,320.

2005-09 "Transition to Fatherhood." National Institute of Child Health and Human Development, Grant P01 HD045610. Co-investigator. Total costs \$8,053,098.

2007-08 "Contexts of Disadvantage, Obesity and Inactivity in the Transition to Adulthood." National Institute of Child Health and Human Development, Grant F31 HD056627 Mentor to Hedwig Lee, PI of NRSA Fellowship.

2006-07 "Transition to Adulthood." Principal Investigator of University of Pennsylvania subcontract via MacArthur Foundation, Transition to Adulthood MacArthur Network, (PI Frank Furstenberg). Total costs \$50,000.

2006 "Genetic Gold Standard Project." Principal Investigator of Butler Hospital subcontract to create an Add Health genetic data file (Butler Hospital, Providence RI). Total costs \$20,000.

2005-06 "Constructing an Add Health Wave III Contextual Database." Principal Investigator of Cornell University subcontract via National Institute of Child Health and Human Development, (PI Ray Swisher).

2004-09 "Demographic Data Sharing and Archiving." Co-investigator of University of Michigan subcontract via National Institute of Child Health and Human Development, Grant U24 HD048401(PI Myron Guttman).

2001-04 "Health, Education, and the Economic Well-Being of Adolescent Immigrants." Russell Sage Foundation, Project # 88-01-12. Co-PI. Total costs \$247,867.

2001-04 "Nonmarital Childbearing Among Young Adults." National Institute of Child Health and Human Development, Principal Investigator of a supplement to Grant 2 P01 HD31921, as part of the Program Project, "National Study of Adolescent Health: Survey 2000." Total costs \$661,724.

1999-04 "Social Context, Family Process, and Adolescent Health." National Institute of Child Health and Human Development, Family and Child Well-Being Research Network, Grant U01 HD37558. Principal Investigator. Total costs \$1,611,608.

1999-2001 "Nonmarital Childbearing Among Young Adults." National Institute of Child Health and Human Development, Grant 2 P01 HD31921. Principal Investigator of Subproject as part of the Program Project, "National Study of Adolescent Health: Survey 2000." Total costs \$166,990.

1999-04 "National Study of Adolescent Health: Survey 2000." National Institute of Child Health and Human Development, Grant 2 P01 HD31921. Co-Investigator. Total costs \$21,948,646.

1994 "Cultural Diversity and the Poverty Experience." Service-Learning Course Development Grant, Center for Teaching and Learning, Univ of North Carolina and the Corporation on National and Community Service, Washington, DC. \$500.

1994-99 "Families, Communities, and Adolescent Behavior." National Institute of Child Health and Human Development Grant 1 P01 HD31921. Principal Investigator of Subproject as part of the Program Project, "The Prospective Longitudinal Study of Adolescent Health." Total costs \$253,339.

1994-99 "The Prospective Longitudinal Study of Adolescent Health." National Institute of Child Health and Human Development, Grant 1 P01 HD31921. Co-Investigator. Total costs \$23,674,115.

1994-97 "Demographic Aspects of Child Care and Long-Term Effects." National Institute of Child Health and Human Development Grant 1 R01 HD31928. Principal Investigator. Total costs: \$1,517,923.

1993-98 "Mother's Work, Welfare, and Children: The Implications of Women's Employment for the Well-Being of Children in Poor Families." W.T. Grant Foundation, Faculty Scholars Award. Principal Investigator. Total costs: \$220,000.

1993 "Single Mothers' Work and Welfare." Biomedical Research Support Grant (BRSG) Award. Total costs: \$3,290.

1992 "The Revolving Door of Welfare Dependency." Summer Research Award, Institute for Research in Social Science, University of North Carolina at Chapel Hill, NC. Principal Investigator. \$3,000.

1991-93 "Work and Welfare Among Single Mothers in the 1980s." University Research Council Grant Award, the University of North Carolina at Chapel Hill, NC. Principal Investigator. \$1,000.

BRIEFINGS & PUBLIC ADDRESSES

"The Life Course Origins of Racial and Ethnic Disparities in Health." Presidential Address to the Interdisciplinary Association of Population Health Science (IAPHS) annual meetings, October, 19, 2021.

"High and Rising Mortality Rates Among Working-Age Adults." Hauser Policy Impact Webinar on Understanding and Addressing Disparities in Midlife Mortality, National Academy of Sciences, Engineering, and Medicine, September 21, 2021.

Congressional testimony to the Senate Subcommittee on Health, Education, Labor and Pensions (HELP) hearing on "Addressing Disparities in Life Expectancy," July 21, 2021.

"High and Rising Mortality Rates Among Working-Age Adults: Cardiometabolic Diseases and Obesity." Invited speaker to the Roundtable on Obesity Solutions, National Academy of Sciences, Engineering, and Medicine, June 23, 2021.

"High and Rising Mortality Rates Among Working-Age Adults: Cardiometabolic Diseases and Obesity." Webinar in three-part series for the report, High and Rising Mortality Rates Among Working-Age Adults, National Academy of Sciences, Engineering, and Medicine, June 17, 2021.

"High and Rising Mortality Rates Among Working-Age Adults: Suicide and Mental Health." Webinar in three-part series for the report High and Rising Mortality Rates Among Working-Age Adults, National Academy of Sciences, Engineering, and Medicine, June 15, 2021.

"High and Rising Mortality Rates Among Working-Age Adults: Opioids, Other Drugs, and Alcohol." Webinar in three-part series for the report High and Rising Mortality Rates Among Working-Age Adults, National Academy of Sciences, Engineering, and Medicine, June 10, 2021.

"High and Rising Mortality Rates Among Working-Age Adults." Report Release Webinar, Committee on Rising Midlife Mortality Rates and Socioeconomic Disparities (Chair), National Academy of Sciences, Engineering, and Medicine, March 2, 2021.

"Impact of the Economic Downturn on Young Adults." Congressional Briefing on "Recession and Recovery: How are Americans Affected?" sponsored by the Population Association of America, Capitol Hill, Washington, D.C., July 12, 2010.

"An Integrative Approach to Health." Presidential address, Annual Meetings of the Population Association of America, Detroit, MI, May 1, 2009.

"The National Longitudinal Study of Adolescent Health." Invited to participate in the American Sociological Association Centennial Congressional Reception & Research Exhibit, on Capitol Hill, Rayburn House Office Building, October 25, 2005.

"From Welfare to Work and Back Again: A Quantitative and Qualitative Perspective." Invited by the Department of Family and Community Studies of the Australian government as an international speaker at the Panel Data and Policy Conference, Canberra, Australia, May 3, 2000.

"The Consequences of Maternal Employment and Welfare Receipt for Children in Poor Families." Invited by the Department of Family and Community Studies of the Australian government as an international speaker at the Panel Data and Policy Conference, Canberra, Australia, May 1, 2000.

"Science: Investing in the Future." Young investigators from universities across the country were chosen to attend the Science Coalition Signature Event to meet with members of their state congressional delegation,

House and Senate Leadership, and members of the Appropriations Committees to explain the importance of federal funding for university-based research in their own words. I was selected by UNC System President, Molly Broad, to represent UNC, Chapel Hill, at the Science Coalition Signature Event, September 21-22, 1999.

- "The Effects of Family Structure and Family Processes on Adolescent Health Risk Behavior." Congressional Briefing on Add Health, sponsored by both chambers of Congress and the Institute for Youth Development, the Capitol Building, Washington, D.C., June 3, 1999.
- "Adolescents: Assessing the Potential." 1999 State Adolescent Health Coordinators Network (SAHCN), Washington, DC, March 13, 1999.
- "Children in Immigrant Families: What We Know." Press Briefing, sponsored by the American Sociological Association at its annual meeting, San Francisco, CA, August 24, 1998.
- "Adolescent Health: Findings from the National Longitudinal Study of Adolescent Health." Congressional breakfast seminar, sponsored by the Consortium of Social Science Associations (COSSA), Rayburn House Office Building, Washington, DC, July 17, 1998.
- "The National Longitudinal Study of Adolescent Health." Congressional exhibition of scientific findings, sponsored by Friends of NICHD Coalition, Cannon House Office Building, Washington, DC, June 3, 1998.
- "Women, Work, and Welfare: Consequences for Children." Address in the "Welfare to What?: Poverty and Policy Reform in America" series, Center for Social Concerns, Notre Dame University, South Bend, IN, March 2, 1998.
- "Women, Work, and Welfare: Implications of Welfare Reform." Plenary address at the Third Annual Public Health Social Work Conference, Winston-Salem, NC, October 1997.
- "Welfare to Work: Opportunities and Pitfalls." Congressional seminar sponsored by the Spivack Program in Applied Social Research and Social Policy of the American Sociological Association, Washington, DC, March 10, 1997.
- "Contract with America' Series-Welfare." Invited panelist in one of five sessions analyzing legislation under the "Contract with America" in terms of its impact in key areas of social life, at the annual meeting of the American Sociological Association, New York, August 1996.
-

INVITED TALKS

- "Add Health in the Age of Social Genomics." Keynote speakers at The Advances in Social Genomics Conference (TAGC), the University of Wisconsin, Madison, WI, June 8, 2023.
- "The Add Health Epigenome Resource: Life Course Stressors and Epigenomic Aging." National Institute for Minority Health and Health Disparities (NIMHD) Social Epigenomics Grantee meeting, Washington, DC (virtual) June 1-2, 2022.
- "The Role of Social Factors in Pre-disease Pathways Across the Early Life Course." 14th annual Huber Lecture of the Institute for Population Research, The Ohio State University, February 25, 2022.
- "An Integrative Approach to Health: 2009 PAA Presidential Address." Invited talk to webinar "PAA Presidential Address Topics: Where are They Now? Volume 3", PAA History Committee, January 19, 2022.
- Invited comments on Despair and the Future of Capitalism by Anne Case and Angus Deaton. Committee on National Statistics (CNSTAT) Webinar, sponsored by the National Academy of Sciences, Engineering and Medicine, May 8, 2020.
- "Social Disparities in Young Adult Health." Invited plenary talk to the Columbia Population Research Center (CPRC) Annual Conference on Children, Youth and Families: Transition to Adulthood, Columbia University, New York, NY May 1, 2020.
- "The Importance of Social Factors in Young Adult Health." Invited talk to the Triangle Working Group on the Social and Biological Determinants of Health. Duke University, Durham, NC Aug 22, 2019.
- "Add Health Wave V: New Directions, New Data." Invited talk in the Carolina Population Center Interdisciplinary Research Seminar, University of North Carolina at Chapel Hill, NC January 10, 2020
- "Add Health Network Data Challenges: IRB and Security Issues." Invited presentation in the Social Networks and Health Workshop, Duke University, Durham, NC May 13, 2019.

- "Intergenerational Transmission of Health: New Data from the Add Health Parent Study." Invited keynote speaker to the Conference on Caregiving and Family Well-Being in Later Life. Bowling Green State University, Bowling Green, OH, April 25, 2019.
- "In Sickness and in Health: The Precursors of Chronic Disease in Young Adulthood. Jane Menken Distinguished Lecture in Population Studies. University of Colorado, Boulder, CO, March 13, 2019.
- "Polygenic Scores in Add Health." Invited presentation at the Conference on Polygenic Prediction and its Application in the Social Sciences. University of Southern California, Los Angeles, CA, November 30, 2018.
- "Add Health Substance Use Data and Findings: Poised for the future." Invited presentation to NIDA Senior Staff Meeting by NIDA Director Dr. Nora Volkow, NIDA Headquarters, Rockville, MD, November 15, 2018.
- "Genomics and Development Across the Life Course." Lead speaker in the invited symposium at the annual meeting of the Society for Research in Child Development (SRCD) Special Topics Conference on the Use of Secondary and Open Source Data in Developmental Science (DEVSEC), Phoenix, AZ, October 5-6, 2018.
- "Innovations in Biosocial Linkages Across the Life Course." Invited speaker in Keynote Panel at the annual meetings of the Interdisciplinary Association for Population Health Science (IAPHS), Washington, DC, October 3-5, 2018.
- "Using Longitudinal Studies of Younger Cohorts for Aging Research." Invited presentation to Expert Meeting, Committee on Population, National Academy of Sciences. Washington, DC, June 26, 2018.
- "Add Health Data and Research on Childhood Obesity in the U.S." Invited presentation to member meeting of the National Collaborative Childhood Obesity Research (NCCOR), Washington, DC, June 15, 2018.
- "Add Health Network Data Challenges: IRB and Security Issues" Invited presentation in the Social Networks and Health Workshop. Duke University, Durham, NC, May 17, 2018.
- "Biological Mechanisms of Social Disparities in Add Health." Invited paper to the Network on Life Course Health Dynamics and Disparities, University of Colorado at Boulder, April 29, 2018.
- "Social, Behavioral, and Biological Linkages in Young Adult Health." Invited talk to the Stanford Bio-X Frontiers in Interdisciplinary Biosciences Seminar. Stanford University, February 8, 2018.
- "The National Academies: Using Evidence from Sciences, Technology, and Medicine to Inform Public Policy." Invited talk at the Regional meeting of NAS members, Duke University, Durham, NC, October 17, 2017.
- "Cardiovascular Disease Risk in Young Adults" Evidence from Add Health." Invited talk at the Workshop on Challenges and Opportunities for the Prevention and Treatment of CVD among Young Adults, sponsored by the National Heart, Lung, and Blood Institute, NIH, Washington DC, September 14-15, 2017.
- "Health Risks for Mid-life Mortality Arising in Earlier Stages of the Life Course." Invited talk in the planning meeting on Socioeconomic Status and Increasing Mid-life Mortality, Committee on Population, National Academy of Sciences, Washington, DC, June 16, 2017.
- "Add Health: Navigating the Social Science and Genomics World." Invited talk to the Genomics for Social Scientist Workshop, University of Michigan, Ann Arbor, MI, June 12-13, 2017.
- "Add Health Network Data Challenges: IRB and Security Issues." Invited lecture to the Social Networks and Health Workshop, Duke University, Durham, NC, May 23, 2017.
- "Social Integration and Health from Adolescence into Adulthood." DeJong Lecture in Social Demography, Pennsylvania State University, November 12, 2016.
- "Past, Present, and Future for Data and Research on Genes and Complex Human Phenotypes." Invited talk at the Conference on Genes and Complex Human Phenotypes, University of California, Berkeley, CA, May 26, 2016.
- "Research Opportunities in Add Health Linked to the AOS Intergenerational Panel." Invited talk to the NAS Workshop on the Potential for Research Using Linked Census, Survey, and Administrative Data to Assess the Longer Term Effects of Policy, National Academy of Sciences, Washington, D.C. May 9, 2016.
- "Race, Ethnic, and Socioeconomic Disparities in Health in Young Adulthood." Invited talk to the Junior Honors Colloquium on Race, Poverty and Politics, University of North Carolina at Chapel Hill, November 10, 2015.
- "Overview of the Add Health Study and Design." Invited workshop conducted at the annual meetings of the American Sociological Association, Chicago, IL, August 24, 2015.
- "Bridging Biological and Social Sciences to Study Developmental and Health Trajectories from Adolescence into Adulthood." Invited talk in the workshop "How the Social Environment gets Under the Skin—Developmental

Perspectives," sponsored by NICHD and the Economic and Social Research Council (ESRC) of the Research Councils United Kingdom, Washington, DC June 17-18, 2015.

- "Defining the Essentials in Population Health Science Training." Invited panelist at the Institute of Medicine meeting on "Training in Interdisciplinary Population Health Science: A Vision for the Future." National Academy of Sciences, Keck Building, Washington, DC, June 1-2, 2015.
- "Add Health: Social and Biological Linkages in Health and Well-Being across the Life Course." Invited talk in the Dean's Seminar on Chronic Disease, Mailman School of Public Health, Columbia University, May 11, 2015.
- "Add Health: Social and Biological Linkages in Health and Well-Being across the Life Course." Invited talk at the annual meeting of the Health and Society Scholars Program, Robert Wood Johnson Foundation, Chapel Hill, NC May 8, 2015.
- "Communicating with Policy Makers: Why It's Important and How to Do It." Invited panelist, Invited session at the annual meeting of the Population Association of America (PAA), San Diego, CA, April 30-May 2, 2015.
- "Social and Biological Linkages in Health and Well-Being across the Life Course." Invited talk in the CIQLE Inequality and Life Course Workshop, Center for Research on Inequalities and the Life Course (CIQLE), Yale University, February 6, 2015.
- "Innovations in Measurement from the U.S. Add Health Study." Invited talk at the International Symposium on Cohort and Longitudinal Studies, Unicef Office of Research—Innocenti, Florence, Italy, October 13-15, 2014.
- "Social and Biological Linkages in Health and Well-Being across the Life Course." Invited talk in the Notestein Seminar Series, Office of Population Research, Princeton University, November 11, 2014.
- "Social and Biological Linkages in Health and Well-Being across the Life Course." Invited talk in the Labor and Population Seminar Series, RAND Corporation, Santa Monica, CA, May 19, 2014.
- "Social and Biological Linkages in Health and Well-Being across the Life Course." Invited talk in the Population, Society, and Inequality Colloquium series, Center for Demographic & Social Analysis, the University of California at Irvine, April 1, 2014.
- "Social, Behavioral, and Biological Linkages Across the Life Course." Invited presentation to the Board of Trustees at the University of North Carolina at Chapel Hill, January 23, 2014.
- "Linking Social, Behavioral, and Biological Processes in Health." Invited presentation to the Government Accounting Office (GAO), December 5, 2013.
- "Social, Behavioral, and Biological Linkages in a Longitudinal Study of Adolescent Health. Invited talk to the UNC School of Dentistry, September 20, 2013
- "Add Health Lives On." Invited talk at Demography Daze, joint meeting of Population Center research at UNC and Duke, June 13, 2013.
- "Studying Family Transitions from a Systems Perspective: The role of Biomarkers." Invited Presentation at the Penn State 20th Annual National Symposium on Family Issues: Emerging Methods in Family Research, State College, PA, October 8-9, 2012.
- "Add Health Data Dissemination: Challenges, Procedures, and Successes." Invited presentation at the Joint Statistical Meetings, San Diego, CA, July 28-August 2, 2012.
- "Pathways of Social Disadvantage from Adolescence into Adulthood." Invited talk in the Minnesota Population Center Seminar Series, sponsored by the Life Course Center and Department of Sociology at the University of Minnesota, Minneapolis, MN April 9, 2012.
- "Add Health: Linking Social, Behavioral, and Biological Processes in Health." Invited talk to the Applied Research and Methods/Center for Designs, Methods, and Analysis (ARM/CDMA) of the Government Accountability Office (GAO), Washington, DC, December 6, 2011.
- "Family Structure and Instability Measures in Federal Data Collection Efforts." Paper presented at the Counting Couples, Counting Families Conference, sponsored by the National Center for Family & Marriage Research, NIH Campus, Bethesda, Washington, DC, July 19-20, 2011.
- "Pathways of Social Disadvantage from Adolescence into Adulthood." Invited paper presented at the "Advancing Child and Family Policy Through Research" conference, Canberra, Australia, January 31-February 2, 2011.
- "Family Structure Models and Nonmarital Childbearing in the Transition to Adulthood." Invited talk in the IUSSP Seminar on Intergenerational Ties and Transitions to Adulthood, Bocconi University, Milan, Italy, November 8-9, 2010.

- "Surveying Socially Marginalized Groups in Add Health." Invited talk in the Surveying Social Marginality Conference, University of Washington, Seattle, October 7-9, 2010.
- "Capturing Intergenerational Aspects of Change in Family Patterns." Invited talk in the "Science of Family Research: A Workshop," sponsored by The Institute of Medicine – National Research Council Board on Children, Youth, and Families, Venable Conference Center, Washington, DC, July 13-14, 2010.
- "Social, Behavioral, and Biological Linkages in a Longitudinal Study of Adolescent Health." Invited talk in the Center for Demographic and Social Analysis, University of California, Irvine, CA, March 9, 2010.
- "Add Health Grows Up: Social, Behavioral, and Biological Linkages across the Life Course." Invited talk in the DuPRI Seminar Series, Duke University, Durham, NC, January 14, 2010.
- "Add Health Grows Up: Social, Behavioral, and Biological Linkages across the Life Course." Invited talk in the UNC/Duke Mental Health Research Seminar, Cecil G. Sheps Center for Health Services Research, University of North Carolina, Chapel Hill, NC, November 17, 2009.
- "Social, Behavioral, and Biological Linkages in the Early Life Course." Invited talk at the 2nd Stanford Workshop in Biodemography, Stanford, CA, October 29-31, 2009.
- "Add Health Grows up: Health and Developmental Trajectories in Emerging Adulthood." Keynote Address at the 4th Conference on Emerging Adulthood, Atlanta, GA, October 29-30, 2009.
- "Social, Behavioral, and biological Linkages across the Life Course." Keynote Address at the Conference on Health over the Life Course, sponsored by the University of Western Ontario Research Data Centre and the Aging and Health Research Center, London, Western Ontario, October 15-16, 2009.
- "How to Design Studies Planning for Data Sharing." Invited talk at the Crossroads: Sharing Social Environment and Genetic Data Meeting, sponsored by the National Institute on Drug Abuse (NIDA), Washington, DC, December 8-9, 2008.
- "Research Benefits of Linking Biological Data with Survey Data." Invited talk at the Workshop on Collecting, Storing, Protecting and Accessing Biological Data Collected in Social Surveys, sponsored by the National Academy of Sciences, Washington, DC, November 17-18, 2008.
- "Social, Behavioral and Biological Linkages in a Longitudinal Study of Adolescent Health." Invited talk to the National Institute for Alcohol Addiction and Abuse (NIAAA), July 11, 2008.
- "Add Health Grows Up: Social, Behavioral, and Biological Linkages in a Longitudinal Study of Adolescent Health." Invited talk in the Institute of Behavioral Science, University of Colorado at Boulder, February 11, 2008.
- "Add Health: Past, Present, and Future." Invited talk to the National Advisory Child Health and Human Development Council, representing science funded by the Demographic and Behavioral Sciences Branch of NICHD, NIH campus, Bethesda, MD, September 10, 2007
- "The Add Health Study: Health and developmental trajectories from adolescence into young Adulthood." Invited symposium speaker at the Society for Life History Research in Psychopathology Conference "Interactions of Mental and Physical Health Throughout the Life Course," Emory University, Atlanta, GA, April 25, 2007.
- "The Origins of Disadvantage in the Transition to Adulthood." Invited talk in the Colloquium series of the Population Studies Center, University of Pennsylvania, PA, March 19, 2007.
- "The Origins of Disadvantage in the Transition to Adulthood." Invited talk in the Notestein Seminar Series, Princeton University, Princeton, NJ, February 27, 2007.
- "The Origins of Disadvantage in the Transition to Adulthood." Invited talk in the Institute for Research on Poverty seminar series "Transitions to Adulthood." Institute for Research on Poverty, University of Wisconsin, WI, February 15, 2007.
- "Studying the Mental Health of Diverse Youth in the Add Health Study." Invited Workshop presenter at the Family Research Consortium IV entitled "On the Move: Geographic Transitions and the Mental Health of Families," Third Annual Summer Institute, Spokane, WA, June 29-July 1, 2006.
- "National Longitudinal Study of Adolescent Health (Add Health): Past and Future." Invited talk to the annual meeting of the Sexually Transmitted Infections and Cooperative Research Centers, NIH, Bethesda, MD, June 28, 2006.
- "Longitudinal Trends in Race and Ethnic Disparities from Adolescence to Young Adulthood." Invited presentation in the Summer Symposium Annual Series on the Many Faces of Inequality, entitled "Inequalities in Health and Well-Being over the Life Course," The Ohio State University, Columbus, OH, June 27, 2006.

- "National Longitudinal Study of Adolescent Health." Invited Talk in the National Poverty Center Summer Workshop on Children and Poverty, University of Michigan, Ann Arbor, MI, June 12-16, 2006.
- "Add Health Grows up: Social, Behavioral, and Biological Linkages in a Longitudinal Study of Adolescent Health." Invited talk to Population Studies Center at the University of Michigan, November 7, 2005.
- "Charting the Future of Genetics and Social Science Research at UNC Chapel Hill: Relevance to Social Science." Invited speaker, Odum Institute for Research in Social Science, UNC, October 20, 2005.
- "Family Structure Role Models and the Context of Nonmarital Childbearing." Invited talk to Sociology Department Colloquium Series, Indiana University, September 9, 2005.
- "Social Context and the Assimilation of Youth in Immigrant Families." Invited presentation at the NIH Workshop, "One in Five: Addressing Health Educational, and Socioeconomic Disparities of Children in Immigrant Families," Rockville, MD, May 25-26, 2005.
- "Studying Health Disparities in Add Health." Invited talk for the NIH Roadmap Workshop on Interdisciplinary Research on "Population Perspectives on Health Disparities," University of North Carolina, May 10, 2005.
- "Family Structure Role Models and Nonmarital Childbearing. Invited talk in the Sociology Colloquium Series, Brown University, April 14, 2005.
- "Studying Immigrant Families in Add Health: Social Context and the Assimilation of Immigrant Youth." Invited visiting scholar lecture in the seminar series of the University of Kentucky Center for Poverty Research, University of Kentucky, March 8-9, 2005.
- "Social Context and the Assimilation of Immigrant Youth." Invited talk in the seminar series of the Population Research Institute, Pennsylvania State University, March 2004.
- "Parenting Processes, Neighborhood Context, and Adolescent Risk Behavior." Invited talk in the seminar series of the Stanford Center on Adolescence, Stanford University, November 20, 2002.
- "The Americanization of Immigrant Youth: Family and Neighborhood Processes." Invited talk in the Workshop on Community and Youth Development, School of Education, Stanford University, November 19, 2002.
- "The Americanization of Immigrant Youth: Family and Neighborhood Processes." Invited talk in seminar series of the Population Center, University of Texas at Austin, November 15, 2002.
- "The Americanization of Immigrant Youth: Family and Neighborhood Processes." Invited talk in Triangle Area Organization and Stratification Seminar series and the Sociology Department, Duke University, September 27, 2002.
- "The Americanization of Immigrant Youth: Family and Neighborhood Processes." Invited talk in seminar series of the Population Center, University of California at Los Angeles, April 2002.
- "The Americanization of Immigrant Youth: Family and Neighborhood Processes." Invited talk in seminar series in Department of Sociology and Population Center, The Ohio State University, May 2001.
- "The Americanization of Immigrant Youth: Family and Neighborhood Processes." Invited talk to seminar series in Department of Sociology and School of Public Health at Rice University, April 2001.
- "Family Processes and Health Risk Behavior among Adolescents in Immigrant Families." Invited talk to the Research Workshop on Families, Inequality, and Poverty, University of Washington, Seattle, WA. November 3, 2000.
- "Family Processes and Health Risk Behavior Among Adolescents in Immigrant Families." Invited talk given in the Hopkins Population Center seminar series, Johns Hopkins University, Baltimore, MD, February 7, 2000.
- "Health Risk Behavior among Adolescents in Immigrant Families." Invited talk at the second biannual meeting of the Urban Seminar Series on Children's Health and Safety entitled "Successful Youth in High-Risk Environments," Harvard University, December 2-3, 1999.
- "Parental and Neighborhood Influences on Adolescent Risk Behavior." Invited talk at the conference, Parenting and the Child's World: Multiple Influences on Intellectual and Social-Emotional Development, sponsored by the National Institute of Child Health and Human Development and Robert Wood Johnson Foundation, NIH campus, Bethesda, MD, August 2-3, 1999.
- "Health Risk Behavior among Adolescents in Immigrant Families: Findings from Add Health." Invited talk given in the Population Studies Center seminar series, University of Pennsylvania, Philadelphia, PA, February 1999.

- "New Findings on Immigrant Health from the National Longitudinal Study of Adolescent Health." Invited presentation in the seminar series of the Institute for Research in Social Science, University of North Carolina, Chapel Hill, NC, November 1998.
- "The Quality of Child Care Data in National Surveys: What You See is What You Don't Get." Invited presentation in the Meeting on Child Care Research in the New Policy Context: Children's Health, Safety and Development in Child Care in Light of Regulations, Subsidies, and Child Care Quality, sponsored by the Office of the Assistant Secretary for Planning and Evaluation of the U.S. Department of Health and Human Services, NIH campus, Bethesda, MD, May 1, 1998.
- "From Welfare to Work and Back Again: A Quantitative and Qualitative Perspective." Invited talk to the Joint Center for Poverty Research, University of Chicago, Chicago, IL, February 26, 1998.
- "The Health Status and Risk Behavior of Adolescents in Immigrant Families." Invited presentation in the Population Research Center seminar series, SUNY-Albany, Albany, NY, December 1997.
- "The Health Status and Risk Behavior of Adolescents in Immigrant Families." Invited presentation to the Carolina Consortium proseminar series of the Center for Developmental Science, University of North Carolina at Chapel Hill, October 20, 1997.
- "Poverty and Health Outcomes During Adolescence: New Findings from the National Study of Adolescent Health." Invited presentation at the conference, "New Findings on Poverty and Children's Health and Nutrition," National Academy of Sciences, Washington, D.C., May 1997.
- "The Adolescent Health Study: New Opportunities for Research." Invited presentation in the Center for Demography and Ecology seminar series, University of Wisconsin, Madison, WI, April 1997.
- "The Consequences of Maternal Employment and Welfare Receipt for Children in Poor Families." Invited talk in the Population Research Institute seminar series, Pennsylvania State University, State College, PA, February 1997.
- "From Welfare to Work and Back Again." Invited presentation at the conference, "After AFDC: Reshaping the Anti-Poverty Agenda," New School for Social Research, New York, November 16, 1996.
- "Women, Work, and Welfare." Invited talk in the Population Studies Center seminar series, University of Pennsylvania, Philadelphia, PA, February 1995.
- "Women, Work, and Welfare." Invited talk in the Poverty and Social Policy seminar series, University of Michigan, Ann Arbor, MI., November 1994.

PRESENTATIONS

- "Variations in Gut Microbiome by Social Group Membership, Genetics, and the Environment." Paper presented at the annual meetings of the Population Association of America (PAA), New Orleans, LA, April 12-15, 2023.
- "Epigenetic Age Acceleration among Respondents in Same Sex and Mixed Sex Relationships in Add Health and HRS Data." Paper presented at the annual meetings of the Population Association of America (PAA), New Orleans, LA, April 12-15, 2023.
- "Familial loss in the early stages of the life course and biological aging of U.S. adults." Paper presented at the annual conference Integrating Genetics and the Social Sciences (IGSS), University of Colorado, Boulder, September 30 - October 1.
- "Variations in gut microbiome by social group membership, genetics, and the environment." Paper presented at the annual conference Integrating Genetics and the Social Sciences (IGSS), University of Colorado, Boulder, September 30 - October 1.
- "Epigenetic age acceleration is associated with disease risks in early midlife adults in Add Health." Paper presented at the annual meetings of the Population Association of America (PAA), Atlanta, GA, April 9, 2022.
- "Defining Despair: Assessing the Multidimensionality of Despair and Its Association With Substance Misuse and Suicidality in Early to Middle Adulthood." Paper presented at the annual meetings of the Population Association of America (PAA), Atlanta, GA, April 8, 2022.
- "Parental Incarceration and Adolescent Sleep Health." Paper presented at the annual meetings of the Population Association of America (PAA), Atlanta, GA, April 7, 2022.

- Longitudinal Pathways Linking Short Sleep Duration and Metabolic Syndrome in Early Mid-Adulthood: Differences by Race? Paper presented at the annual meetings of the Population Association of America (PAA), Atlanta, GA, April 7, 2022.
- "Social Relationships, Wealth, and Cardiometabolic Risk: Evidence From a National Longitudinal Study of U.S. Older Adults." Paper presented at the annual meetings of the Population Association of America (PAA), Atlanta, GA, April 7, 2022.
- "Life-course victimization and CRP related DNA methylation among LGB adults." Paper presented at the annual meetings of the Integrating Genetics and the Social Sciences (IGSS), University of Colorado, Boulder, CO, October 28-29, 2021.
- "Rising Midlife Mortality Rates in the United States: Why Are Some Populations and Places More Affected?" Presentation at the annual meetings of the American Public Health Association, Denver, CO, October 26, 2021.
- "High and Rising Mortality Rates Among Working-Age Adults: Cardiometabolic Diseases and Obesity." Webinar presentation of National Academies consensus study report, June 17, 2021.
- "High and Rising Mortality Rates Among Working-Age Adults: Suicide and Mental Health." Webinar presentation of National Academies consensus study report, June 15, 2021.
- "High and Rising Mortality Rates Among Working-Age Adults: Opioids, Other Drugs and Alcohol." Webinar presentation of National Academies Consensus Study report, June 10, 2021.
- "Seeds of Despair: Anomie and Strain among High School Educated White Americans." Paper presented at the annual meetings of the Population Association of America (PAA), St. Louis, MO (virtual), May 8, 2021
- "Social Isolation and Physical Health from Adolescence to Mid-Adulthood." Paper presented at the annual meetings of the Population Association of America (PAA), St. Louis, MO (virtual), May 8, 2021
- "American Despair? A Machine Learning Approach to Predicting Self-Destructive Behaviors." Paper presented at the annual meetings of the Population Association of America (PAA), St. Louis, MO (virtual), May 7, 2021
- "Long-term social isolation and health: Epigenetic Methylation of Immune Genes." Paper presented at the annual meetings of the Population Association of America (PAA), St. Louis, MO (virtual), May 6, 2021
- "Trends in and Causes of Rising Working-Age Mortality Rates in the U.S.: Findings from the NASEM Consensus Study on Rising Working-Age Mortality Rates and Socioeconomic Disparities." Presentation in invited session at the annual meetings of the Population Association of America (PAA), St. Louis, MO (virtual), May 6, 2021
- "New frontiers in comparative human and animal model research on the social dimensions of aging." Presentation in invited session at the annual meetings of the Population Association of America (PAA), St. Louis, MO (virtual), May 5, 2021.
- "High and Rising Mortality Rates Among Working-Age Adults." Webinar presentation of public release of National Academies Consensus Study report, March 2, 2021
- "Transition of Add Health from an adolescent and young adult study (NICHD) to an aging study (NIA)." Invited presentation to the RTI Quarterly Dementia Business Development meeting, Research Triangle Park, NC, February 9, 2021.
- "Genomic Data and Findings in the National Longitudinal Study of Adolescent to Adult Health." Invited presentation to the GenOmics, Bioinformatics, and Translational (GOBOT) Research Center, Research Triangle Park, NC, December 7, 2020.
- "Data Innovations for Population Health Research on Health and Cognitive Functioning." Invited panel presentation at the annual meetings of the Interdisciplinary Association of Population Health Scientists (IAPHS), Minneapolis, MI (virtual), October 1, 2020.
- "Do Sleep Duration Trajectories from Adolescence to Mid-Adulthood Differ by Socioeconomic Background and Race? Paper presented at the annual meetings of the Interdisciplinary Association of Population Health Scientists (IAPHS), Minneapolis, MI (virtual), September 30, 2020.

- "Add Health Genomic Data." Invited presentation to the NIA Biomarker Network Meeting on Functional Genomics, (virtual), April 22, 2020.
- "Educational Attainment and Young Adult Health in the United States: Differences by Race and Gender." Poster presented at the annual meetings of the Interdisciplinary Association of Population Health Scientists (IAPHIS), Seattle, WA, Oct 2, 2019.
- "Life Course Social Integration and Its Consequences for Gene Expression." Paper presented at the annual meetings of the Integrating Genetics and the Social Sciences (IGSS), University of Colorado, Boulder, CO, Oct. 4, 2019.
- "Role of 'Inflammatory Liability' in Modifying the Relationship Between Stressful Life Events and Depressive Symptomology." Paper presented at the annual meeting of the Population Association of America (PAA), Austin, TX, April 10-13, 2019.
- "Socioeconomic and Genomic Roots of Verbal Ability." Paper presented at the annual meeting of the Population Association of America (PAA), Austin, TX, April 10-13, 2019.
- "The Unequal Benefits of College Completion." Paper presented at the annual meeting of the Population Association of America (PAA), Austin, TX, April 10-13, 2019.
- "Gene Expression in Pre-Disease Pathways: The Importance of Life Course Patterns of BMI." Paper presented at the annual meeting of the Population Association of America (PAA), Austin, TX, April 10-13, 2019.
- "Overall and Differential Sociodemographic Effects of Adverse Life Events on the Risk of Unintended Pregnancy During Adolescence and Young Adulthood." Paper presented at the annual meeting of the Population Association of America (PAA), Austin, TX, April 10-13, 2019.
- "Educational Consequences of Early Crime and Punishment: Testing A Genetically Informed Life-course Model Using the Add Health Data." Paper presented at the annual meeting of the Population Association of America (PAA), Austin, TX, April 10-13, 2019.
- "Rethinking 'Early' Childbearing: Motherhood and Educational Attainment in the United States." Paper presented at the annual meeting of the Population Association of America (PAA), Austin, TX, April 10-13, 2019.
- "Discovery of Gene Expression Signatures Using Machine Learning: Social Isolation and Genetic Expression in Adolescence and Young Adulthood." Paper presented at the annual meeting of the Population Association of America (PAA), Austin, TX, April 10-13, 2019.
- "New Evidence of Skin Color Bias and Health Outcomes Using Sibling Difference Models." Paper presented at the annual meeting of the Population Association of America (PAA), Austin, TX, April 10-13, 2019.
- "Life Course Socioeconomic Determinants of Early Adulthood Cognition." Paper presented at the annual meeting of the Population Association of America (PAA), Austin, TX, April 10-13, 2019.
- "Stressful Life Events and the Risk of Unintended Pregnancy: Implications for Toxic Stress and Reproductive Health Disparities During Adolescence and Young Adulthood." Paper presented at the annual meeting of the Society for Adolescent Health and Medicine (SAHM), Washington, DC, March 6, 2019.
- "The Social and Genetic Roots of Verbal Ability," (lead author Guang Guo). Paper presented at the annual meetings of Integrating Genetics and the Social Sciences (IGSS), Boulder, CO, October 11-12, 2018.
- "Educational Consequences of Early Crime and Punishment: Testing a Genetically Informed Life-course Model using the Add Health Data," (lead author Hexuan Liu). Paper presented at the annual meetings of Integrating Genetics and the Social Sciences (IGSS), Boulder, CO, October 11-12, 2018.
- "Genetics and the Geography of Health, Behavior, and Attainment," (lead author Dan Belsky) Paper presented at the annual meetings of Integrating Genetics and the Social Sciences (IGSS), Boulder, CO, October 11-12, 2018.
- "Childhood Family Instability and Adult Health." Paper presented at the annual meetings of the Society for Longitudinal and Lifecourse Studies, Milan, Italy, July 9-11, 2018.
- "The Association of Adolescent Psychological Characteristics with Adult Health and the Confounding Role of Socioeconomic Status." Paper presented at the annual meeting of the Population Association of America (PAA), Denver, CO, April 26-28, 2018.
- "The Influence of Peer Genes and Peer Behavior on Smoking Outcomes: Evidence From Add Health." Paper presented at the annual meeting of the Population Association of America (PAA), Denver, CO, April 26-28, 2018.

- "Education, Smoking, and Cohort Change: Forwarding a Multidimensional Theory of the Environmental Moderation of Genetic Effects." Paper presented at the annual meeting of the Population Association of America (PAA), Denver, CO, April 26-28, 2018.
- "Race/Ethnicity, Gender, and Trajectories of Depressive Symptoms across Early- and Mid-Life Among U.S. Young Adults." Paper presented at the annual meeting of the Population Association of America (PAA), Denver, CO, April 26-28, 2018.
- "Educational Disparities in Cigarette and E-Cigarette Use from Young to Middle Adulthood." Paper presented at the annual meeting of the Population Association of America (PAA), Denver, CO, April 26-28, 2018.
- "Long-Term Protective Effects of Adolescent Family Relations: Gendered Trajectory of Depression into Adulthood." Paper presented at the annual meeting of the Population Association of America (PAA), Denver, CO, April 26-28, 2018.
- "Measurement Matters? The New Census Race Question and Its Consequences for Disparities Research." Paper presented at the annual meeting of the Population Association of America (PAA), Denver, CO, April 26-28, 2018.
- "A Social Explanation for Observed Differences in Genetic Associations for Years of Completed Education among Black and White Adults: The Role of Discrimination." Paper presented at the annual meeting of the Population Association of America (PAA), Denver, CO, April 26-28, 2018.
- "The Depth of Despair among Midlife American Adults." Paper presented at the annual meeting of the Population Association of America (PAA), Denver, CO, April 26-28, 2018.
- "Childhood socioeconomic status and BMI across the life course." Paper presented at the annual Integrating Genetics and the Social Sciences (IGSS) conference, University of Colorado at Boulder, October 21-22, 2017.
- "Social Integration and Health from Adolescence into Adulthood." Paper presented at the annual meeting of the Society for Longitudinal and Lifecourse Studies, Sterling, Scotland, October 13-15, 2017.
- "Building a Data Resource to Test for increasing Selectivity of Persons at the Low End of the Educational Continuum." Paper presented at the NIA-Supported Network on Life Course Health Dynamics and Disparities in 21st Century America, Chicago, IL, April 30, 2017.
- "The Unequal Benefits of Upward Mobility." Paper presented at the annual meeting of the Population Association of America (PAA), Chicago, IL, April 27-29, 2017.
- "Family Structure and Adolescent Development." Paper presented at the annual meeting of the Population Association of America (PAA), Chicago, IL, April 27-29, 2017.
- "Friends, Genes, and Schools: Evidence From Add Health." Paper presented at the annual meeting of the Population Association of America (PAA), Chicago, IL, April 27-29, 2017.
- "Racial/Ethnic and Socioeconomic Disparities in the Relationship between Depression and Unintended Pregnancy during Adolescence and Young Adulthood." Paper presented at the annual meeting of the Population Association of America (PAA), Chicago, IL, April 27-29, 2017.
- "Smoking, Education, and Historical Time: The Importance of Genetic Correlation by Environment Interactions for Population Health Research." Paper presented at the annual meeting of the Population Association of America (PAA), Chicago, IL, April 27-29, 2017.
- "Sociogenomic Analysis of Life-Course Social Mobility in Two Large Longitudinal Studies in the United States." Paper presented at the annual meeting of the Population Association of America (PAA), Chicago, IL, April 27-29, 2017.
- "The Relationship between Skin Tone and Preterm Birth among African American Women." Paper presented at the annual meeting of the Population Association of America (PAA), Chicago, IL, April 27-29, 2017.
- "Social Disparities in Biological Risk Factors of Cancer in Young Adulthood: Obesity, Inflammation, and Socio-Behavioral Mechanisms." Paper presented at the annual meeting of the Population Association of America (PAA), Chicago, IL, April 27-29, 2017.
- "Childhood Family Instability and Adult Health." Paper presented at the annual meeting of the NIA-Sponsored Biomarker Network Meeting, Chicago, IL, April 26, 2017.
- "A Consideration of Gender and Genetics." Paper presented at the annual Integrating Genetics and the Social Sciences (IGSS) conference, University of Colorado at Boulder, October 21-22, 2016.

- "Pubertal Timing in Add Health." Paper presented at the annual IGSS conference, University of Colorado at Boulder, October 21-22, 2016.
- "Friends, genes, and schools: Evidence from Add Health." Paper presented at the annual IGSS conference, University of Colorado at Boulder, October 21-22, 2016.
- "Childhood Family Instability and Adult Health." Paper presented at the annual meeting of the Population Association of America (PAA), Washington, DC, March 31-April 2, 2016.
- "Early Life Socioeconomic Disadvantage and Young Adult Cardiometabolic Risk: Sex Differences and Underlying Mechanisms." Paper presented at the annual meeting of the Population Association of America (PAA), Washington, DC, March 31-April 2, 2016.
- "Birth Intendedness, Union Status at Conception, and Maternal Behaviors." Paper presented at the annual meeting of the Population Association of America (PAA), Washington, DC, March 31-April 2, 2016.

"Teenage Mothers and Welfare Dependency: Combining Work and Welfare." Paper presented at the annual meetings of the American Sociological Association. San Francisco, CA, August 1989.

"Adolescent Childbearing and Welfare Experience: The Transition Out of Dependency." Paper presented at the annual meetings of the Population Association of America. Baltimore, MD, March 1989.

"Adolescent Childbearing and Welfare Receipt." Paper presented at the PARSS (Program for Assessing and Revitalizing the Social Sciences) Seminar, University of Pennsylvania, PA, February 1987.

TEACHING EXPERIENCE

- Sociology and Genetics (graduate workshop), 2007-2022
- Using Add Health to Study Developmental and Health Trajectories Across the Life Course (graduate seminar), 2007, 2013, 2015, 2020, 2023
- Empirical Research on Family Change (graduate seminar), 2005
- Poverty in America (graduate), 2004
- Demography (Part I): Theory, Substance, and Techniques (graduate), 1993-2001
- Family and Society (undergraduate), 1990-1992
- Measurement and Data Collection (undergraduate), 1991, 1993
- Data Analysis in Sociological Research (undergraduate), 1992, 1994
- Race and Social Policy (undergraduate), 1994
- U.S. Poverty and Public Policy (advanced undergraduate) 1995-1996, 2000-2003, 2005, 2006, 2014
- Poverty, Inequality, and Health in America (First-year seminar EE class), 2016, 2020
- Proseminar (seminar for first-year Sociology graduate students), 1997-2021

PROFESSIONAL EXPERIENCE, SERVICE AND ACTIVITIES

Current positions are **bold**

- 2023-2025** **Member, Committee on "A Research Agenda for Improving Economic and Social Mobility in the United States," National Academies of Sciences, Engineering and Medicine. Washington, DC.**
- 2023-** **Chair, Section 53, Class V, National Academy of Sciences, Engineering and Medicine (elected)**
- 2023-2028** **Member, External Advisory Committee for the Columbia Population Research Center (CPRC)**
- 2023** **Member, Search Committee for the Vice Chancellor for Research, University of North Carolina at Chapel Hill**
- 2023** **Member, Potential Chair Nominating Survey Committee (PCNSC), Sociology Department, University of North Carolina at Chapel Hill**
- 2022-** **Member, NIA Data Monitoring Committee (DMC), Health and Retirement Study (HRS)**
- 2022-23** **Monitor, review of consensus study "The Scope, Components, and Key Characteristics of a 21st Century Data Infrastructure," Division on Behavioral and Social Sciences and Education, National Academy of Sciences, Engineering and Medicine.**
- 2022** **Chair, Review Committee for the Institute for Social and Economic Research and Policy at Columbia University, University of Columbia.**
- 2021-22** **Co-Chair, Search Committee for Director of Carolina Population Center (CPC), University of North Carolina at Chapel Hill**
- 2021-22 Member, Search Committee for the Assistant Director of the Social, Behavioral and Economic Sciences Directorate (SBE), National Science Foundation, Washington D.C.
- 2021-22 Member, Committee on Strengthening the Evidence Base to Improve Economic and Social Mobility in the United States, Committee on Population, National Academy of Sciences, Engineering, and Medicine.
- 2021-23** **Irene Taeuber Award Selection Committee (Chair, 2023), Population Association of America**
- 2021 Congressional testimony to the Senate Subcommittee on Health, Education, Labor and Pensions (HELP) at July 21st hearing on "Addressing Disparities in Life Expectancy."

2020-22 Member, American Academy of Arts and Sciences Class III, Section 6 (Sociology, Demography, and Geography) Membership Panel

2020-21 President, Interdisciplinary Association of Population Health Science (IAPHS)

2020-21 Member, Class Membership Committee (CMC), National Academy of Sciences, Engineering and Medicine

2020-2019-23 Member, Review Panel for Pipeline Program, Russell Sage Foundation
Member, Class V Temporary Nominating Group (TNG) Committee, National Academy of Sciences, Engineering and Medicine

2019-20 Department of Sociology Centennial Committee, University of North Carolina at Chapel Hill

2019-20 Chair, Post-Tenure Review Committee, Department of Sociology, University of North Carolina at Chapel Hill

2018-21 Chair, Committee on Rising Midlife Mortality Rates and Socioeconomic Disparities for consensus study "High and Rising Mortality Rates Among Working-age Adults," National Academies of Sciences, Engineering and Medicine. Washington, DC.

2017- Member, External Evaluation Committee for the NIH T32 "Training in Demography and Genetics," University of Colorado.

2017-21 Member, Training Committee for the NIH T32 "From Biological to Social Processes: Interdisciplinary Training in Life Course Research" to the Carolina Population Center.

2017-21 Chair (2019-21) Member (2017-19), Scientific Review Study Section Social Sciences and Population Studies (SSPA), Center for Scientific Review, National Institutes of Health (invited).

2017-25 Chair (2023-25); Member (2017-2022), NIA Data Monitoring Committee (DMC) for the Midlife in the United States (MIDUS) Study.

2017-22 Member, Editorial Committee, Annual Review of Sociology. Invited by Richard Gallagher, President and Editor-in-Chief of Annual Reviews.

2016- External Advisor, Social Networks and Health Training Workshop. Duke University, (invited by Dr. James Moody, PI of NIH R24 training grant).

2015- Member, External Advisory Board, Adolescent Brain Cognitive Development (ABCD) Study. Invited by Dr. Nora Volkow, Director, National Institute of Drug Abuse (NIDA) and George F. Koob, Director, National Institute for Alcohol Abuse and Addiction (NIAAA), NIH.

2015-21 Chair, Committee on Population, the National Academies of Sciences, Engineering and Medicine, Washington, DC.

2014-2019 Member, BASE Advisory Council, Denver Study of the Built and Social Present Environment (DBASE) (invited), University of Colorado, Boulder.

2014-20 Member, Review Panel for research program on "The Social, Political and Economic Effects of the Affordable Care Act," Russell Sage Foundation (invited by RSF President).

2017-18 Member, Consensus Study on the "Value of Social, Behavioral and Economic Sciences to National Priorities," National Academies of Sciences (appointed by Marcia McNutt, President of the National Academies).

2016-17 Member, UNC Data Science Initiative, University of North Carolina at Chapel Hill (invited by Dr. Terry Magnuson, Vice-Chancellor for Research).

2016-17 Member, Breakthrough Initiatives Committee, University of North Carolina at Chapel Hill (appointed by Chancellor Folt).

2015-17 Member, Selection Committee for the Miller and Flanigan Awards from the Inter-university Consortium for Political and Social Research (ICPSR).

2014-19 Member, Biology and Social Science (BioSS) Working Group, Russell Sage Foundation, New York, NY (invited by RSF Board of Trustees).

2014-16 Big Ideas Committee, University of North Carolina at Chapel Hill (invited by Chancellor Carol Folt and Dean Bob Blouin, School of Pharmacy).

2014-16 Member, Search Committee, Dean of Arts and Sciences, University of North Carolina, Chapel Hill (invited by Provost James Dean).
